To Whom It May Concern,

We used the services of John Laurino as our Ingredients broker in Brazil for three years.

John always performed in a highly professional manner and approached his work with a good attitude. At all times I found him to be conscientious, dependable, and trustworthy. I have great respect for John and the valuable services he provided to our company.

Sincerely,

A handwritten signature in black ink that reads "Kimberly Ionta". The signature is written in a cursive, flowing style.

Kimberly Ionta
