BAY HILLS TREES At right is an aerial view of Bay Hills sometime just after the development of Collins Estates. Notice the glorious canopy providing shade, cooling, bird habitat, serenity and beauty for our neighborhood. Our trees are a natural treasure and do extra duty stabilizing the ground, mitigating noise, capturing carbon dioxide, and giving off oxygen. They add to the value of our homes. **HAVE WE TAKEN OUR WONDERFUL TREES FOR GRANTED?** We were shocked to see a mature oak recently removed without an assessment of health from a certified arborist and a County permit. **Our oaks and other trees are PROTECTED BY LAW throughout Pinellas County since the 1970's.**

There are people on waiting lists hoping to live in Bay Hills BECAUSE OF THE TREES! Our most recent homeowners survey cited TREES as one of the best things about the neighborhood. Our Florida native oaks are sturdy, long-lived, disease and pest resistant and have survived decades of hurricanes, extreme dry or wet seasons, and air pollution.

REMINDERS: Use only licensed tree services with certified arborists on staff for trimming and other care and removal (last resort). Avoid planting non-native, invasive plants, shrubs, or trees. Replace lost oaks. Consult the County urban forestry department about which nuisance, non-native trees can be removed without a permit. **THANK YOU FOR DOING YOUR PART!**

We haven't been able to hold a group event because of COVID-19, but watchful neighbors are noticing people walking or bicycling through Bay Hills late at night—no lights, dark clothing. **Please call Sheriff at 727-582-6200 about any suspicious people.** **Other tips:** lock your vehicles, keep garage doors down, use outdoor lighting. Report streetlights that are out to Duke Energy. **Bay Hills is a NO SOLICITING neighborhood, so DO NOT deal with door-to-door people** saying things like: "we're not soliciting, we're just giving out information or offers"; "we're working in the neighborhood" and so on. Bay Hills received Special Recognition for Dedication to Neighborhood Watch from Pinellas County Sheriff.
