

APT Drilling Swivel Features:

- Equipped with standard bails.
- The wash pipes and packing assemblies are cartridge types and can be replaced on the floor without disconnecting the rotary hose and/or gooseneck.
- The gooseneck is provided with a outlet for wire line logging

APT provides swivels conforming to API Spec 8A.

Models No.	SL-225	SL-450	SL-675
Weight (lbs.)	5,650	6,750	13,900
Maximum Torque (ft. lbs.)	11,000	1,485	3,950
Maximum Rotating Speed (rpm)	160	170	155
