**Like a safe, our salvation
is protected by God and
we're secure.**

**Things always have a
way of working out.
Never underestimate
the power of prayer,
faith, and love.**

- Keep Wayne, Nell and his parents in your prayers during this difficult time. Wayne is under hospice care. He has impaired vision and is slowly getting weaker due to the progression of the brain cancer, but he remains in good spirit.

P. O. Box 746
Mineral Bluff, GA 30559

- Sandy Parmer's friend Betty Rivers is bed ridden in a nursing home in Alabama. She asked that we also add the following to the prayer list: Ramona Vance, Barry Winslow, Angel Wells a friend of her daughter, and Robert's brother, Harold Parmer who is having a hard time grieving the death of his wife. Robert also asked that we add a friend Tim Craig who was cutting down a tree and had to have surgery for broken legs and he was told no weight bearing for at least two months.
- Mindy Scaffé had knee replacement. She had an Orthopedic appointment on Tuesday. There was no problem with the bolts in her knee, but she has a torn muscle. She is recovering at home.
- Lee Sanders continues to have health issues and asks for our continued prayers.
- Richard Brenner's surgery to relieve his back pain went well, He is recuperating at home and wants us to

know he misses us and looks forward to when he will feel strong enough to return to church.

- Darlene Queen is home after being evaluated for TIA. She tires easily and has trouble maintaining her balance.
- Darlene requested prayers for Tom Dean, a co-worker of Jerry, who has cancer.
- Michelle Dockery is back to work full-time after surgery to remove bone spur from her knee.
- We are all in need of prayers as we manage our daily lives during these uncertain times in America and around the world and personal health issues.
- Jim and Sybil Eubanks have settled in at their new home in Clarksville, TN. Copies have been made of their new address and is posted on the bulletin board for those of you who want to stay in contact. If you do not see a copy let Lula know and she will make more copies.

REACH, Inc. – Community Project

The ladies made a commitment to supply the Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. Staff has requested hair shampoo and conditioners, hair bands and clips and nail polish. Many have never been to a salon and this helps to boost their self-esteem. Adult coloring books and 500 or smaller piece puzzles help them emotionally. If you have items of clothing (clean and in good condition), children's books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some **small tote bags** and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. Recommended size for the tote bags is 9"X9" but they can be a little larger. Put them on the table in the pantry and we will fill them as time permits.

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also asked for some cooking utensils for helping them start over. So, if you have something you no longer want, they could use them. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet.

Volunteers are needed. Call the office at 828-837-2097 or 828-837-8064 for more information.

Pantry Items

We need your help to keep our pantry stocked. If no family or individual has made a special request; then, at the end of each month Lula pulls items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week. **You can also write a check payable to the Andrews Food Bank.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. The food bank has requested empty dozen size egg cartons so they can divide the large crates of eggs they receive from other organizations and from people who raise chickens.

Toys for Tots

If you wish to continue to donate throughout the year or get more involved contact the local coordinator for Cherokee County, Barbara Hudson at barbarahudson727@gmail.com for more information or visit the Toys for Tots website. Look for special sales throughout the year.

We received a beautiful thank you plaque that is hung on the wall in the entry way. Please take time to check it out.

Fundraisers are held throughout the year. The annual motorcycle run in conjunction with the Western NC Wingman Motorcycle Club starts at noon **June 12th** at 75 Wilson Street, Andrews, NC. and ends at 1856 Alarka Rd, Bryson City, NC. The event includes food, a band, a bike show, a car show, a 4X4 show, 50/50 raffle and other raffle items. Everyone is Welcome! Any questions contact Corey 828-736-8637 or Bubba 828-557-7534.

Our church's weekly budget is set at \$1,250.00.

May 23 – \$640.00 is under budget by \$610.00.

May 30 – \$870.00 is under budget by \$380.00.

Sunday Bible Study – 12

Morning Worship Attendance – 24

Members are asked to please check their temperature before deciding to leave home and wearing a mask while inside is optional. Chairs have been set up to maintain social distancing in keeping with current guidelines. Vaccines are available for anyone 15 years and older to help stop the spread of the COVID-19 virus and through 'herd immunity' as we know everyone will not get the vaccine. We will start telephone contacts to let you know if anything changes. STAY SAFE!

Wayne's Outreach Ministries

If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne was the only person that some of these men had reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne's request, Nell will be continuing to correspond with some of these men since they truly have no one else. Let her know if you have any questions.

Wayne was also active with World Bible Study and had several people he was corresponding with. If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

Sunday Morning Bible Study at 10:00 am.

June 6th we will begin the summer issue of our Adult Bible Study. We will

be studying the letters written by Peter. Please pick up a copy off the table in the back of the church titled **Peter's Epistles**. Please don't

forget to bring your Bible and your questions.

10 things you never knew about Father's Day.

1) Father's Day was invented by American Mrs. Sonora Smart Dodd who wanted to honor her father, a veteran who had, as a single parent, raised his six children. The first Father's Day was celebrated on June 19, 1910.

2) Unlike Mother's Day, Father's Day was originally met with laughter. It was the target of much satire, parody and derision with a local newspaper complaining that it would lead to mindless promotions such as 'National Clean Your Desk Day'.

3) The first American president to support the concept of Father's Day was President Calvin Coolidge, who did so in 1924... but it wasn't until in the year 1966 that President Lyndon Johnson signed a presidential proclamation that resulted in the declaration of the third Sunday of June as Father's Day.

4) According to greetings card makers Hallmark, Father's Day is the fifth-largest card-sending holiday.

5) In Germany, Father's Day is celebrated differently from other parts of the world. Männertag, (Men's Day) is celebrated by getting drunk with wagons of beer and indulging in regional food. Police and emergency services are in high alert during the day.

6) Going for a floral gift? Traditionally

fathers should be given the gift of white or red roses. The rose is the official flower for Father's Day. Wearing a red rose signifies a living father, while a white one represents deceased father.

7) Surprisingly, the trusty slipper gift is not the most popular Father's Day present – it is actually - a tie.

8) The world's record for having the most number of children officially, is recorded as 69 by the first wife of Feodor Vassilyev (1707-1782), a peasant from Moscow. His first wife gave birth to 16 pairs of twins, seven sets of triplets and four sets of quadruplets. Dinnertimes must have been hectic!

9) Although there is no evidence of its origin, it is believed that the word "Dad" date back to as early as the sixteenth century. It is said to come from the first syllables uttered by babies, 'pa' plus the kinship suffix 'ter' – accounting for the Latin 'Pater', the Spanish 'Padre' and the French 'Pere'. Takes 'baby talk' to a new meaning.

10) In Thailand, Father's Day is set as the birthday of the king. December 5 is the birthday of current king, Bhumibol Adulyadej (Rama IX). Thais celebrate by giving their father or grandfather a Canna flower (Dok put ta ruk sa) which is considered to be a masculine flower.

June 21st is first day of summer.

Don't forget to put on sunscreen to help prevent sunburn.
