Regional Recreation Center:

As Discussed:

- Vice-Chairman Jaime Hartline did receive a letter of correspondence from PA DEP/Cambria District Mining Office, informing the Township Supervisors that the existence of the mine permit allows DEP to regulate the mine operator through various environmental laws and regulations and through the terms and condition of the mine permit. The mine permit does not limit a property owner's use of the land nor does it place any restriction on a property owner. In fact, the mining regulations of 25Pa. Code, Chapter 87, definitions, recognize "recreation" as an acceptable postmining land use for mined sites.
- The DEP correspondence was carbon copied to John Dubnansky Cambria County Grants facilitator.

For The Good of the Township:
