## President's Message

The new board has met and assigned positions for the next year. Fred Wallace, John Kramer, Rich Lizarraga, and Dave Cox will continue their current positions as shown above. Mark Rief is the new President; and Doug Benc is doing communications, taking care of the newsletter, web site, and email. Mike Muscare has the title of Social chairman, which includes membership retention and recruitment, especially for the 100+ associate members. Although new to our board, Mike has leadership experience at other clubs, and we look forward to some fresh views. Thanks to all the board members for their ongoing dedication to the success of our club.

We are entering the second year of the new 12 month membership cycle with SCGA, and as expected, we have seen a few issues with renewals. When you join SCGA, your membership is valid for 12 months from the date you join. For most of our members, their end date is Dec 31, since they transitioned from the old system, but new members could be any time during the year. The club tournament season is October to September, so this means we will have memberships starting and expiring mid-season. So be sure to renew your membership when the time comes, to remain eligible for tournaments and skins games.

This is also our second year of online membership processing. We learned that if you joined or renewed online, you must be within 60 days of your end date to renew your membership. Since this is November 1 for most of our members, they could not renew before the October tournament, so we did not require renewal it for online renewals. You should start receiving email notifications this week reminding you to renew, so please don't delay. If you selected the auto-renew option, then you will get an email reminder, and if you don't do anything, your membership will renew on December 16. If you have any issues or questions about online renewal, please let me know.

As a general reminder, if you have a question about the club, please talk to a board member. I can't tell you how many times I have heard a member expressing their opinion about an issue based on false information that they pick up on the course or at the 19<sup>th</sup> hole. If you want the straight scoop – talk to us.

Mark Rief, President

## Tournament News

### Two Man Better Ball

Thanks to all of you who participated. The 2 man Best Ball went real well and we had good turnout. A Flight was on Chino Creek and B Flights teed it up on Butterfield Stage. We had 58 players come out for a great day of golf. This was membership renewal time and many of you renewed with us. Some used the SCGA website to renew their membership.

I met two new members, Ron Patterson and John Pacheco. I also saw three recently new members, Steven Koch, Luis Alva, and Marty Barreto. It was nice to see a few new faces and good to have them in the competition. Randy Maddox also renewed and I was real happy to hear he is able to join us for another year. We look forward to seeing him a few times in the coming season.

Participation is the key to having great tournaments and increasing our membership numbers means bigger and better events. So please continue to encourage all your friends to sign up and everyone join in our regular monthly tournaments and skins games. Last year we had more than 60 players the field and had ABCD flights, but this year, without meeting this threshold, we had to combine the field into an only AB flights. We had 1- 4 places in A flight and had a 4 way team tie for first place in the B flight so check out the winners of this event on the next page. Congratulations to all the winning teams.

Next month our tournament is on Saturday Nov 18<sup>th</sup> and is an Individual Low net. A & B will be on Butterfield Stage and C&D will be on Chino Creek. We certainly would like to see a large field this time around. Send me an email or fill out a paper form and put it in the EPMC mailbox in the golf shop.

In Tournament events, If you have any issues, please discuss and resolve them with either

Kevin, myself or one of the other Board members **before** you hand over your scorecard. Competitors are to **sign their scorecard** and ensure the marker has signed as well and then turn it in to the scoring table. Once the round is posted on the scoreboard, it is final. We still have to perform an audit and need all cards and Close to Pin signs. The event is not final until audit is completed and the final results are posted on the web. The only changes made during audit are due to addition errors, transposition errors, or omissions made on the part of scoreboard staff.

Dave Cox– Tournament Director
