AWB # _____

Instructions: complete Part A (questions 1 through 9) for all entries. The answers to questions 3 and 4 determine which of the remaining parts, B through E, must be completed. If the answers to questions 3 and 4 are rubber and/or plastic, complete Part B only. If the answer to question 3 is textile materials and the answer to question 4 is not other materials, only complete part C. If the answer to question 3 is leather and the answer to 4 is not other materials, only complete part D. If the answer to question 3 and 4 is other material, only complete part E.

<p>A.</p> <p>1 Manufacturer's style number, if any. _____</p> <p>2 Importer's style and / or stock number, if any _____</p> <p>3 Identify which of the following materials makes up the greatest portion of the external surface area of the upper (accessories, reinforcements, ornamentation, etc. excluded):</p> <p>a. leather _____</p> <p>b. rubber and / or plastics _____</p> <p>a. textiles materials _____</p> <p>b. other materials _____</p> <p>4 Identify which of the following materials makes up the greatest portion of the external surface area of the sole (accessories, reinforcements, spikes, etc. excluded):</p> <p>a.
