

Greetings ACSP Friends & Supporters!

A Caring Safe Place is celebrating its 20th anniversary this year! The agency will host a gala to celebrate this significant milestone and the agency's continued commitment to service. The agency's "Rebuilding Lives One Man at a Time Gala" will be held on Saturday, September 9, 2017, from 6:00 PM to 10:00 PM, at the Holiday Inn Houston Intercontinental Airport's Trinity Ball Room, located at 15222 John F Kennedy Blvd, Houston, TX 77032. Over 150 business, civic, and community leaders will gather at this Gala to celebrate our collective work in rebuilding the community, one life at a time, one day at a time. We are asking that you to join the agency's efforts with a gala sponsorship or donation. Your support will allow us to reach more individuals with quality programs that transform lives and strengthen our local community.

A Caring Safe Place, a local 501(c)3 non-profit agency, was founded in 1997 with a mission to provide crisis intervention services to homeless persons living with HIV, who are also victims of drug abuse, abandonment, and neglect. The agency has worked to impact and improve the lives of those served through critical programs such as transitional and permanent supportive housing, mental health and substance abuse counseling, and crisis intervention services. An eighty-seven percent client success rate results from the loyal dedication and hard work of many staff and volunteers, as well as from many individuals, businesses, foundations, and government entities who financially support what we do year after year.

Will you support us with a sponsorship or donation in celebration of our 20th year? Remember that your gift is tax-deductible to the full extent provided by law (Federal Tax ID# 31-1574101). Any donation would be greatly appreciated, large or small. Thank you for helping us to make a difference in our community by making it a better, more interesting place to live!

Sincerely,
