## **CUSTOM WOOD STYLES**

**Nothing matches a wood fence's warmth and charm. Bergen Fence uses the finest #1 grade northern red cedar. We skillfully construct fences in a variety of heights and styles using 1" X 4" (nominal) boards. Hearty woods, like red cedar fences, provide excellent durability, and resistance to rot and decay. Bergen Fence artisans craft every wood fence in our state-of-the-art woodshop, and our installation crews are recognized among the trade's finest!**
