

RT1

**AIR FRESHENER
ODOR COUNTERACTANT**

Product Description:

RT1 is a water-based air freshener with a pleasant fragrance which deodorizes any room or hall. It neutralize unpleasant odors and provide a delightful and freshened effect to the air. Can be used on furniture, curtains and carpets.

Typical Uses

Use **RT1** to freshen the air in rooms and for masking difficult smelling odors.

How to use:

RT1 is a ready-to-use product.

Fill sprayer with **RT1**. Apply last after all cleaning of the room is done. Mist a couple of triggers upwards into the center of the room or onto odor source before leaving the room. The area will smell clean and fresh after using **RT1**.
