To the Sherburn and Welcome City Councils,

The department logged 159 calls for service for the month of January. This was down from last year for the month but up over 2013 and years prior to that. It will be interesting to see the totals as the year progresses since 2014 was such a busy year for the department. Sherburn had 62 calls for the month with Welcome having 70 and calls that were outside of either community accounting for 25.

The response time for the month of January averaged 2 minutes and 38 seconds. This is around what we typically average and is well within an acceptable time frame considering we cover two communities.

The new squad car is still in the process of being set up. There has been a slight delay because of some computer equipment issues, but I anticipate that the car will be done by the end of next week and will be in full rotation.

The retired squad has been placed on the State of Minnesota surplus auction web-site and will be sold to the highest bidder. The auction for this car ends on February 20th. Typically, we get around \$1,500-\$1,750 for the cars when we sell them and I expect it will be the same this time.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes". The signature is fluid and cursive.
