**P.O Box 323**  
**Solvay, New York 13209**

**It is with great pleasure *that OCVFA announces the 7<sup>th</sup> Annual Rich Webster Memorial Golf Tournament on June 7<sup>th</sup>, 2020, to raise monies to be used as High School to College Scholarships for Firefighter families. This is a great opportunity to have access too many fire departments and volunteers at one time and in one place.***

**There are always costs to host such an event. This year we are looking to find sponsors to help support the tournament. Supporting the tournament will grow the scholarship fund which will assist the scholars/winners in achieving their education goals and advertise your business to a focused caring and giving group of volunteers.**

**One of the methods to raise funds will be a Bag Drawing Table. This is a table filled with donated products where Raffle Tickets will be sold to those attending the event. The supporter can purchase and place a ticket in the bag next to the item they wish to win. The items for this table are part of the committee's request for donation.**

**Please find attached the break down on the different steps to support this great opportunity. We look forward to working with your organization. Any questions please don't hesitate to contact us at your earliest convenience.**

**Respectfully Submitted**  
**Rich Webster Memorial Committee**
