**Re: RW Construction Permit**

Harrison Township Residents shall contact the Harrison Township Road Department before performing any work or construction in the right of way. Residents shall request a permit application from the Road Department for review and approval. All applications shall have a drawing of the construction site. Each application will be approved on a case by case situation.

The Road Department shall perform a site visit before and during construction, with a final inspection. All construction shall be completed in a timely manner and a completion date shall be attached to the application. Residents shall request an extension for construction before this date and shall be reviewed by the Road Superintendent.

**For information contact:**

Ben Patterson

Harrison Township Road Superintendent

6750 Outville rd

Pataskala Ohio 43062
