About Us

The Next Picture Show (TNPS) is a non-profit community fine arts center located in the heart of historic downtown Dixon, IL. Established in 2004, the art center occupies an 1854 building that underwent complete restoration. Recreating the 1898 façade look and retaining the original wood floors, tin ceilings and internal structures where possible creates a unique and special backdrop for the art, music and literary events held during the year.

Mission

Our mission is to nurture, develop, educate, foster the arts, and galvanize artists and patrons within the community.

Education

The Lower Level serves as our primary classroom as well as a place for specialty and student exhibitions.
