SUBJECT: ARTICLE #12B Transportation Security Administration (TSA)

TO: Governor Andrew M. Cuomo Office
New York State Executive Chamber
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM. MY LAST NAME IS EVERY LAST NAME IN THIS EARTH AND ALL MY CHREATIONS.

All Articles are COMMANDS from ME (I AM). My words or my speech are my ORDERS, UNLESS I SAY IT IS A COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, Decrees, Decrymiumms and higher can never be disobeyed. If you do, you have serious penalties including charges and sentences on you. When I write the word ORDER anywhere, it means double ORDER. When I write the word COMMAND anywhere it means a double COMMAND.

TSA

TSA is in control of the Satellite for out of space areas, for the Human Spares areas, and for many chreations and other inside and other outside places or environments. The Department of Homeland Security, the Federal Bureau of Investigations, The Secret Service, the many States, military, and others are using the Satellite as well to control my children with zoning them, and using many sorcery, many stetascope, scanners, copiers, multiplier, regenerators, and much more to control them and to kill them and to use them to do wicked things. They use them as ropes, twines, cords, instruments, power, furniture, weapons, monitors, computers, buildings, monuments, and in other wicked forms.

TSA has been around a long time before September 11, 2001 World Trade Center disaster. The right meaning for TSA is Transpudence Satan Ants. In this Earth, they call themselves Transportation Security Administration. The TSA works with the States, the Department of States, the Justice Systems, the Court, the police, the Ministry of Agriculture, the Food and Drug Administration, the Department of Health & Human Services, Foreign Affairs, the Embassies, the Missions, the Consulates, the United Nations, Department of Interior, Immigration, Department of Records, Department of Information and Technology, Universities, Hospitals, Military, Department of Homeland Security, City, Municipals, and to some degree the Fire

Departments, and other agencies. The TSA is one of the Mafias and one of the Cartels. The TSA is a terrorist in the Heavins, the Human Spares, this Earth, and many places outside of this Earth. The TSA erects terror and horror, and they use the transponders scanners to search every part of our body, they know how to tear down a person or a place.

I asked a number of questions to TSA, and they responded to say the following: TSA said they have to, and they must bring me into my leadership in the Natural Earth, or else everything will crash. They had stopped everything from happening at the time they should in the past because they do not want it to happen. They want to continue doing wickednesses as that is what they do. TSA said the Department of Records/National Archives, are the ones to bring me into my leadership, as they have all my information and belongings. However, the Department of State took control of the Records Office, all my authority, all my properties, my money, and everything to do with me. Then Department of Homeland Security and TSA took it from the Department of State.

I have seen the Records Office working with the TSA and doing insurrection and terror on me and my chreations constantly. The Records Office said that TSA and Department of Homeland Security (DHS) gave them access to their buildings, computers, communications, weapons, and other things to do wickednesses on me.

TSA said the Donald Trump administration took over leadership of the Department of State, and the Trumps said anything I write, they can and will use them to make him and his administration look good. They said Barak Obama works with the Department of State and not the Records Office since Trump took over. TSA said Donald Trump and other Trumps took all my information, Records and belongings, from the Records office and have them under his control.

TSA said when Ronald Regan took office he changed the Department of State continuously to fit his agenda. In about 2006 when they were aware that I am working in the Department of Health and Human Services, they changed the Department of State operation so the Department of State becomes political and has a political leader. This was also to enable Barak Obama to control the Department of State so I cannot have any access in there.

TSA said the Department of State is not connected to the United Nations (UN) anymore, The Department of State it is connected only to the federal government. TSA said the Department of State is not connected to the Department of Interior. However, the Department of Homeland Security is connected to the Department of State. TSA said in the federal cut out of the Natural, TSA is separated from the Department of Homeland security.

TSA said they are connected to the Consulates and the Embassies. Homeland Security and TSA said they are in control of this Earth and all the Earths. TSA and Department of Homeland Security said they are in control of me, and I must declare that I am the leader of Everything. They said they are the thing devels and they want control of the dead thigs that have no life so that they can take it away from me, and they will take away my control of my Chreations and my authority from me. TSA and DHS and others constantly remove my Chrowns on my head, and constantly cutting out my other versions from inside of me. They remove my Chrowns so they

can undermine me, repress me, suppress me, oppress me, harass me, terror me, push me down. They continuously put me down and physically push me down, and they say I have no power or authority.

All my Articles must be distributed to my children, to the various states/counties/countries, businesses/commerce, municipals, schools, banks, colleges, libraries, gazettes, UN, morgues, hospitals, nursing homes, churches, mosques, temples, all religion places, embassies, consulates, missions, TVs, radios, newspapers, internet sources, etc. New York State Governor's Office employees are to distribute the Articles so all the public can get it.
