

Cross Lutheran School Tuition 2019-2020

It has been determined that the actual cost of educating a child at Cross Lutheran School amounts to over \$6,300 per student for the school year. As you can see below, the tuition fees we charge are much lower than that. This is possible because of the generous support of the congregation of Cross Lutheran Church and their commitment to providing quality Christian education in this community. Fundraising opportunities exist which will help offset the cost of your tuition with very little effort, and additional tuition assistance is available for those in need of it. A dollar figure should not be the reason your child does not attend Cross Lutheran School.
