

# I'M SO LONESOME I COULD CRY

Hank Williams

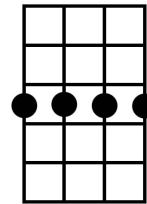

F Am Dm F  
Hear that lonesome whippoorwill  
F Am Cm7 F7  
He sounds too blue to fly  
Bb Bbm F Dm  
The midnight train is whining low  
F C F C7  
I'm so lonesome I could cry

F Am Dm F  
Have you ever seen a night so long  
F Am Cm7 F7  
When time goes slowly by  
Bb Bbm F Dm  
The moon just went behind a cloud  
F C F C7  
To hide it's face and cry

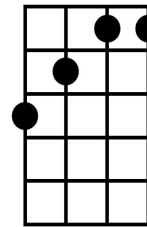

F Am Dm F  
Did you ever hear a robin sigh  
F Am Cm7 F7  
When leaves begin to die  
Bb Bbm F Dm  
That means he's lost his will to live  
F C F C7  
He's so lonesome he could cry

F Am Dm F  
The silence of a shooting star  
F Am Cm7 F7  
Lights up a purple sky  
Bb Bbm F Dm  
And as I wonder where you are  
F C F  
I'm so lonesome I could cry

**Cm7**

**Bb**

**Bbm**
