

## **Crossville HEARTS SPRING 2023 Co-Op Semester CLASS DESCRIPTIONS**

### **Acting Games**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Amanda Parrent

We will play acting games such as Charades, Why Are You Late, Dramatic Death, and more.

### **Animal Science Through Art**

2<sup>nd</sup> - 5<sup>th</sup> grade, Teacher: Rachel Shores

We will be doing a lesson on a particular animal / class / species, etc. Then we will do a small craft to reinforce what we learned.

### **Archery Off the Range**

Age 10+, Teacher: Kevin Helwig

Archery Off the Range teaches aspects of various equipment, repairs, maintenance, and research to accomplish archery goals on the range for competition, recreation, and hunting. Homework consists of 1-2 topics per week that can be accomplished by the next class. Estimated less than 2 hours per topic.

Students should bring to class notebooks, pencils and erasers, basic calculator, 5-10ft measuring tape, and optional phone or tablet for research.

### **Art Medium**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Amanda Hensley

We will learn about a new art medium each week.

### **ASL Letters & Numbers**

5<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Ana Johnson

Introduction to American Sign Language finger-spelling numbers and letters; plus, basic signs.

### **Avant Garde Theatrical Make-Up**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Tia Swift

Experimental and creative makeup. Express yourself through fun and creative makeup application.

### **Beginning Hydroponics**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Rachel LeCureux / Ana Johnson

This class is an introduction to the wide world of hydroponics growing and being self-sufficient! We will be setting up a deep water culture hydroponics system and taking about all the different types of hydroponics systems and what you have to do to maintain them.

### **Berenstain Bears**

K – 2<sup>nd</sup> grade, Teacher: Jackie Dun/Kristy Payne, Amber Findley

Watch the show and do a fun life lesson activity.

### **Brave Books: Saga 2**

K - 4<sup>th</sup> grade, Teacher: Elizabeth Stull

Strong character building through a fun and engaging story and activity.

### **Cardio for Christ**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Marcey McCall / Caleb McCall

Relay races / aerobic games incorporating Bible memory. Outside – dress appropriate for the weather.

### **Coffee & Games**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Marcey McCall / Caleb McCall

Board games, card and teambuilding.

### **Crafts for girls**

3<sup>rd</sup> - 6<sup>th</sup> grade, Teacher: Amber Hall

We'll have fun making perler bead creations, shrink art, jewelry, and more!

### **Cross Country**

K - 8<sup>th</sup> grade, Teacher: Joe Parrent

Be prepared to run outside in cold or rain. Bring a water bottle. We will be preparing to run in the junior league class cross country at Stone Memorial High School. There will be 4 races, most likely on Mondays at 4pm in March/April. Actual dates, cost, and location will be announced at signups. K-5<sup>th</sup>, junior varsity, runs 1 mile; 6<sup>th</sup> - 8<sup>th</sup> grade varsity runs 2 miles.

### **Early Childhood Development**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Shannon Eaton

Students will research and develop age appropriate curriculum and activities for children under 5 years old. They will have a few opportunities to implement their lesson plans in the 2s & 3s or 4s & 5s classrooms.

### **Elementary P.E.**

K-6th grade, Teacher: Alison Savard

Fun, physical, group games to exercise your brain and body and as a team.

### **Elements of Art**

3<sup>rd</sup> - 8<sup>th</sup> grade, Teacher: Alyson Hale

Each week we will learn about a different element of art (line, shape, form, etc.) and do a project to go with it.

### **Experiments in General Science**

6<sup>th</sup> - 9<sup>th</sup> grade, Teacher: Dulci Corvin

This class will perform various experiments from Apologia General Science text. Students do not have to be doing this course at home in order to take the class.

### **Farming with Purpose**

3<sup>rd</sup> - 6<sup>th</sup> grade, Teacher: Taylor Holloway

We will study an animal or farm aspect each week and make treats and gifts to coincide.

### **Foundations in Personal Finance**

8<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Annie Maddux

Continuing from the Fall 2021 semester, students need to have been in the Fall semester to participate this semester.

### **Free Play**

K - 3<sup>rd</sup> grade, Teacher: Amando Jo Wright

Unscripted play time for the kiddos. We will be indoors on cold or wet days, and on the playground when it is nice!

### **Fruit of the Tongue**

4<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Joanie Gilbert

Have you ever said anything really awful or hurtful? We all have! The things we say matter to God and have tremendous power in our lives. Through this bible study we will learn how to speak life and enjoy the good fruit God has for you. Fruit of the Tongue is a biblical study by Not Consumed Ministries.

### **Fun History of English**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Amber Pacana

We'll be discussing and exploring a brief history of the English language and why we speak and spell the way we do.

### **Games**

K - 3<sup>rd</sup> grade, Teacher: Ashley Norman / Glenda Houston

Age appropriate board games, puzzles, and word games.

### **Gameschool Academy**

K - 3<sup>rd</sup> grade, Teacher: Michelle Schular / Amanda McClish

Practice math, reading, science, problem-solving – educational games.

### **Good Conversation**

K - 3<sup>rd</sup> grade, Teacher: Ashley Norman / Glenda Houston

We will have a topic each class to discuss with one another and family/friends.

### **Hands-On Fun**

K - 3<sup>rd</sup> grade, Teacher: Alyson Hale

A mix of fun hand-on science projects each week.

### **Highschool P.E.**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Rebekah Yegenian

Fun with fitness, games, and activities.

### **Home Design & Intro to Architectural Drafting**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Ralph Hofnecht

Learn the basics of planning a small home and drawing with simple tools. This is not a computer design class. No previous experience necessary. \$10 fee for materials

### **Ice Breakers**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Kathy Norris

Ice Breakers is a communication class to help kids to get to know one another through activities and games.

### **Jump Rope**

3<sup>rd</sup> - 12<sup>th</sup> grade, Teacher: Jessica Peffer

We will be learning the basic single jump rope and learning our way to double dutch. Lots of exercise, rhymes, and laughter in this class – where your athletic shoes!

### **Kids On the Move**

K - 3<sup>rd</sup> grade, Teacher: Joanie Gilbert

Ready, set, dance!! This class will get students moving to the music. We will teach silly dance moves to age appropriate music to get kids moving and exercising!  
Students will need athletic shoes and water bottle for each class.

### **Line Dancing**

3rd - 12th grade & Adults welcome, Teacher: Joanie Gilbert

Expect to learn 2-3 new line dances during the semester. We also practice previous year's line dances. No previous dance experience needed. All dances will be broken down and re-taught.

### **Logic: The Fallacy Detective**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Dulci Covin

Classwork and discussions using the book The Fallacy Detective.

### **Magic School Bus**

K - 2<sup>nd</sup> grade, Teacher: Amber Findley/Kristy Payne/Jackie Dunn

Watch the show and do a science activity related to the show.

### **Microsoft Excel**

8<sup>th</sup> - 12<sup>th</sup> grade, Teacher: April Turner

*REQUIRED: Your own laptop computer with a downloaded version of Microsoft Excel (not online version).*

We will be learning Excel basic functionality including formatting to find the features of the program, formats, pivot tables & charts and graphs. Practice is required for true learning. If the students do not do the exercises they will not retain the learning.

### **Missionary Heroes**

3<sup>rd</sup> - 6<sup>th</sup> grade, Teacher: Kathy Norris

We will take a look at different missionary heroes each week, through activities, reading, and documentaries.

### **Origami**

K – 3rd and 3rd-8th grade, Teacher: Marge Hofnecht

The art of paper folding. All supplies will be provided.

### **Reader's Theatre**

3<sup>rd</sup> – 6<sup>th</sup> grade, Teacher: Christine Loveday

Actors present dramatic readings of materials using vocal expression to help audience understand the story. Will use scripts from favorite books or stories and/or scripts that describe a certain science concept or historical event.

### **Road Trip to Truth**

8<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Dulci Corvin

Discussing current issues in light of God's truth.

### **Science Tab Notebook on Animals**

K – 3<sup>rd</sup>: / 3<sup>rd</sup> - 6<sup>th</sup> grade, Teacher: Sheri Glup

Science Interactive Notebook. Tab-Its Booklets incorporates reading, writing, art, and research skills. We'll be working on All About Mammals, Chicks, Birds, Fish, Butterflies, Frogs, Reptiles, and Sharks.

### **Shakespeare's Romeo and Juliet**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Jennifer Hill

Did you know that Shakespeare is the author of many famous sayings we use today? Come study one of his most popular plays, Romeo and Juliet, in a fun and upbeat class. At the end we will perform a 10 minute play in modern day English!

### **Silly Sensory**

K - 3<sup>rd</sup> grade, Teacher: Jessica Peffer / Michelle Schuler

We'll be getting our hands messy with a new sensory bin each week; from playdoh to oobleck it will be a great time getting a bit messy.

### **Sons and Daughters of Liberty**

5<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Ralph Hofnecht

Discover the origins of our God-given freedom. Our national history will be studied in the light of God's principles of government and the notable contribution of our founders and the lessons learned from previous civilizations. \$10 fee for materials

### **Stem Challenge**

4<sup>th</sup> - 8<sup>th</sup> grade, Teacher: Alyson Hale

Students will be given supplies to complete a STEM challenge while following criteria/constraints.

### **Story Art**

K - 3<sup>rd</sup> grade, Teacher: Amanda McClish / Michelle Schuler

Read a story and follow with a craft.

### **Team Games**

6<sup>th</sup> - 12<sup>th</sup> grade, Teacher: Jana Olinger

Build friendships by working together to find solutions to both physical and mental games.

### **Tennessee Through Art**

2<sup>nd</sup> - 5<sup>th</sup> grade, Teacher: Rachel Shores

We will have fun learning facts about Tennessee! Class will include a craft to reinforce the lesson.

### **Thinking Skills Coloring**

K - 4<sup>th</sup> grade, Teacher: Kristy Payne

Codes, mysteries, puzzles...can you figure out what image you're coloring? Different worksheets each week to color while using our thinking skills. Please bring colored pencils to class.

### **Unusual Animals**

3<sup>rd</sup> - 6<sup>th</sup> grade, Teacher: Amanda Jo Wright

We will learn about 10 of Earth's most unique and unusual animals and their habitats.

### **Who Was?**

5<sup>th</sup> - 8<sup>th</sup> grade, Teacher: Amber Findley/Kristy Payne/Jackie Dunn

Watch the show and do an activity related to historical figures.
