

Christian Education / Sunday School

Our church offers two classes for Christian Education: an adult class that meets weekly in the Pastor's office from 9:30 - 10:15 and a children's class that meets during the worship service.

The children's Sunday School class is designed for ages 10 and under. The children gather for worship in the sanctuary and after a youth message is presented by Pastor Allan, they are dismissed for class. Two adults are in charge of the class which takes place in the Christian Education building next door to the church. The children return to the sanctuary at the end of the worship service.

The adult class is designed to educate individuals on God's word through a study of the Bible and a fellowship with others also seeking to grow in faith. Curriculum and materials are provided and a daily devotional book is also available to anyone in the congregation.
