To the Sherburn and Welcome City Councils,

The department had 198 Calls for Service in the month of November. This brought the total to 1,885 for the year. The department had responded to 1,758 calls in 2017 and 1,845 calls in 2016 for the same reporting period.

Response time average was approximately 2 minutes which is in our regular range.

The department web-site saw 1,871 visits in the month of November. This is down significantly from the monthly average of 2,600.

The department has the Shop with a Cop event scheduled to take place on December 21. Thanks to the very generous donations from businesses and community members, the department has over \$4,000 to put towards this event. I find it so impressive that our communities step up to this level for families in need in the area. It is a testament to why this is such a great area to live in. The officers are all looking forward to spending the evening with the kids and I am sure it will be as big a success as it was last year.

I hope everyone has a great holiday season!!
