REVIEW AND APPROVE ASCERTAINED MERIT FOR LIEUTENANT TESTING

There are nine engineers at Mokena FPD; seven of which took out applications.

Due to some educational incentives being dropped due a revision in the Illinois Office of the State Fire Marshal Administrative Code in November 2017, the Commissioners reviewed each candidate's application, verified each certification that was valid, made a note of those that were repealed and added up the total ascertained merit points for each candidate.

Based on past practices, Provisional Officer 1 certification and actual Officer 1 certification are counted as the same.

REVIEW AND APPROVE SENIORITY POINTS FOR LIEUTENANT TESTING

The Commissioners verified the seniority points for the seven applicants for the Lieutenant testing.
