## WHAT IS NEW FOR 2018

BRSA adopted ASA’s decision to redefine the Alberta Soccer age groups to align with Canada Soccer National Competitions. As a result, our new age group categories will be U3, U5, U7, U9, U11, U13, U15, U17 and U19.

U11 age category will have both a house league (no travel required) and an optional U11 Travel team. Player may only participate in one of these leagues per season. This optional team will be created depending on overall U11 team numbers and coach availability. If this U11 Travel team is created, they will play within the BRSA league. Travel is required within the communities of Leduc, New Sarepta, Calmar, Devon, Thorsby, Warburg, Breton, Pigeon Lake and Millet.

Our registration fees now include a team pack photo which is an 8x10 print and photo matte featuring the team photo and individual player for every player.

U13-U19 will be able to reuse current issue uniforms year to year. See Uniform section for more details.

## **Player Movement Within The DSA**

### ***My child would like to play with his friend. Can you accommodate this special request?***

Your request is dependent on many things. Are they in the same age category? Are they relatively equal in skill and ability? Did one of them register late? Is there room on the team? Please submit your request in writing to your Age Coordinator or email it to [info@devonsoccer.com](mailto:info@devonsoccer.com) by the registration deadline. We will evaluate each special request individually but do not guarantee that we will accommodate your request.

### ***My child would like to move down an age category to play with his/her friend. Can he/she do this?***

No. The Canadian Soccer Association rules prevent movement down, except in cases of mental or physical handicap. Such players would not be eligible to play in any play-off or provincial games.

### ***My child would like to move up an age category to play with his/her friend. Can he/she do this?***

If you wish to move your child to a higher age category, please submit your request in writing to your Age Coordinator or email it to [info@devonsoccer.com](mailto:info@devonsoccer.com) by the registration deadline. We will evaluate each special request individually; however, we are reluctant to move any player out of their age category unless the request is necessary and justified. We believe that a player moving up has a definite disadvantage against older, stronger and faster children and this may negatively influence the child's self-esteem and confidence. We are also concerned about the unfair position it puts the team in, by having an underage player on the team. We would prefer that wherever possible you keep your child in the age group that he/she is supposed to be in.

## **Coach and Assistant Coach**

DSA depends on parents/volunteers 18+ to coach our players with assistant coaches being at least 14+. Even those who have never played soccer or have no previous coaching experience can become competent coaches. Coaching clinics are offered in April each year and DSA will reimburse your fees in full once you attend the clinic. Time commitment is .5 to 1 hr/day 2 times per week during the season, plus tournaments. More time is required of travel team coaches.

All coaches are required to attend a Coaches' Meetings to learn about your position and pick up equipment. Your age coordinator will provide you with more information.

To ensure that safe and competent coaches are coaching our children every coach is required to provide a new criminal record check every 3 years.

## **Team Manager**

A team manager is now required for every team in U11-U19 age categories only. A team manager must be 18+ and is a time commitment of 1-3 hours/week. Team managers are responsible for communication between our administration/age coordinator and the team. This person should be organized and available for last minute fan out of information from time to time.

## **Timbit Tournament**

DSA needs volunteers ages 14+ to help with setup, take down, BBQ, supervising bouncy houses etc. You will always be able to watch your children play as we don't schedule parents when their children are playing. DSA would love to see some of our older travel team players volunteering. The time commitment is available in 1-hour shifts.

Being a referee for DSA is a PAID position. Anyone, male or female ages 13 years and up can apply to be a referee. DSA offers and pays for the required clinics that allow you to be a referee. The time commitment for our club is approximately one hour a day, 2-3 times per week during the soccer season.

Besides being a paid part time job, being a referee gives you physical fitness, life skills, another way to be involved in the game of soccer and the potential to advance as a referee to higher levels.

Email [referees@devonsoccer.com](mailto:referees@devonsoccer.com) to apply now.

## **Executive Member**

A dedicated group of soccer parents make up our executive. Any parent with a child registered in soccer can be nominated for a position at our AGM. Our executive is made up of 7 voting positions including president, vice-president and 5 directors. The other positions on our executive include a variety of coordinators and administrators. The time commitment is year-round, with minimum monthly meetings, task meetings, planning, organizing and being present at most DSA events for the entire duration of the event and being available by phone, text or email most of the time. Our busiest season is from January to June and slows down for the 2<sup>nd</sup> half of the year.

If all attempts to rectify the situation directly with the coach or team official fails, then contact the Age Coordinator in writing outlining your concern. If the Age Coordinator can not rectify the situation, they will involve the President and executive.

If you witness an incident that you would like to report, please contact your age coordinator who will involve the President and executive if necessary.

### **Who can be on the field?**

The only people allowed on the field are coaches, managers and players that our registered with DSA. No siblings, parents or friends are allowed on the field when the team is on the field expect when invited by the Coach. In the case of Parent/Tot, only one parent per player is permitted on the field at a time.

### **Where do the players/parents sit during practices/games?**

U5/U7 – players may sit on same side as parents but should sit together in a row with their team mates and coaches.

U9 and up – parents will sit on one side of the field and the players on the other side of the field. This makes it easier for the coaches to know where their players are for line changes.

### **Snacks/Water**

Players should eat before coming to practices/games or when they are finished. There is no snack break. Every player must have a full water bottle at every practice/game. Please label their bottles to avoid mix-ups.

### **Trash**

### **Sunscreen/Bug Spray**

Parents please bring sunscreen and bug spray.

### **Clothing for rain/cold weather**

### **Referees**

For our leagues that do have a referee, DSA expects coaches, parents and players to treat the referees with respect. Our U11 teams will have kids that are 13-14 years old referring their games and it is unacceptable for anyone to berate, belittle or yelling at these refs. DSA has the right to remove anyone they see displaying bad behaviour towards the refs.

## Development for each age category

<u>Age Category</u>	<u>Focus</u>
U3/U5	Development of physical literacy, running hopping, skipping, balancing etc. So, there will be mistakes and players falling and tripping as they ‘find their feet’.
U7	Ball mastery, bringing physical literacy to support the development of mastering the ball, this is only possible with positive physical literacy. So, within this stage the player’s focus is often upon the player and the ball. Expect frustration and a very limited desire to share. Encourage this and allow the players to experiment with new moves and tricks.
U9/U11	This is the stage where the game concept really takes hold. The player has mastered the individual techniques and is ready to put them into play, in a game. So now is the time for the focus to move towards team play and tactics. Again, there will be mistakes and miss-placed passes. The focus should therefore be on exploring options of play and not whether a play was the right or wrong one.
U13-U19	This is the final stage of development; some players may be returning to soccer or entering it for the first time. However, the emphasis is upon participation and fun. So regardless of age, ability or level of competition there is always a game to be played. Active for Life also embraces the provision of further supporting options within coaching, officiating or administration support to the development of the game.
