SPRING 2016 NEWSLETTER

Christmas Party and Winter Dinner Dance

The 2015 Frontier Association Christmas Party was held on December 18 at the LEAF building and included sleigh rides and a visit from Santa. We had a terrific turnout this year, probably due to the more moderate weather, although the wind interfered with our showcasing of the neighborhood with luminaries. Nonetheless the competition for the spirit award this year was very close with Frontier taking it once again – congratulations Frontier Street neighbors! We would like to send out a big thanks to all those who helped set up and provide lights for the Christmas party, especially Robin Mascharka who provided children’s activities and games and Lynette Hughes who donated the Christmas tree.

The Frontier Winter Dinner Dance was also a success this year. The dinner took place at the Erie Yacht Club again this year and many neighbors took the opportunity to get out of the house and enjoy catching up with other neighbors and alumni.

2016 Association Projects and Events

Spring is on its way and that means that the 2016 project schedule will be starting soon. This spring, in addition to the normal clean-up and spraying of the boulevard end-caps, we will begin the boulevard makeover project. The project includes mulching and trimming of the boulevard trees and shrubs to remove all suckers and make the shrubs more tree-like.

For 2016, we’ll begin with Monaca and Frontier streets and possibly Cherokee depending on budget, and continue on from there each year until we are finished. Additionally, we will be trimming back the end cap bushes on all of the south ends of the boulevards and the end cap on 6th street near the delta and Shawnee as they have become a visibility hazard for both walkers and drivers.

Our Annual Day of Caring event is scheduled for the weekend of April 15, 16 & 17

Annual Day of Caring April 15-17

Once again we ask that all neighbors participate in the raking and removal of leaves and branches from the boulevards even if you are unable to do it on the scheduled days. City leaf removal will be in effect at that time so leaves and twigs from the boulevards can be placed in open containers at your curb. We have arranged for a special city pickup of branches the following Monday (April 18).

If there are any branches in the boulevard or in your yard, place them in a pile in front of the north and south boulevard end caps on 4th street. Unfortunately, 4th street will be the only city pickup point for branches that day so piles need to be moved there. Seawolves tickets will be available to those who participate in the boulevard clean-up.

Board members will be handing those out during the day of caring weekend and onward from then until the tickets are gone. You can also contact Jeff or Joy Stempora (jstempora@aol.com) to request tickets.

Annual Meeting and Election of Board Members

In preparation for the Frontier Association's annual meeting on **May 11 at 7 p.m.** in the LEAF building at Frontier Park, we are collecting names for new board members. Any association member in good standing can submit her/his name for the board member election ballot at the annual meeting. If you are interested in being a board member, please send a note to Jeff Stempora (jstempora@aol.com or info@frontierassociation.com).

2016 Dues and New Directories

Notices for 2016 association dues went out the first week of January as scheduled and association dues were due by March 1. The board would like to take the opportunity thank all those who have paid their dues and especially those who contributed more than the \$50 amount this year. This additional generosity will go a long way toward ensuring that we can complete our 2016 projects like the boulevard makeovers, additional tree plantings, and providing plants for the neighborhood entry point signs. For those of you who may not have paid your dues yet, you can pay them through the website (www.frontierassociation.com) or by sending a check for \$60 to Frontier Association Treasurer Joe Schember (504 Frontier). You have until April 1 to get those in after which time the dues increase to \$70.

2016 is a new Frontier Improvement Association directory year. All members in good standing receive a directory. We would like to thank our directory sponsors whose advertising covers the cost of producing the directory and contributes to Frontier Association event funding, and Debbie Gross who did a lot of the updates. Please support our sponsors. If you have paid your dues and have not received a directory yet, please send an email to info@frontierassociation.com.

Also, as hard as we try to keep up on updates for the directory, there may be a few mistakes such as names, spelling, etc. If you see a mistake, please send an email to info@frontierassociation.com.

Concrete Replacement

As a follow-up to our efforts to get volume pricing on concrete repair and replacement for the neighborhood, we are still trying to get enough neighbors to participate. If we can get commitment for a neighborhood total of 2000 square feet or more, we will be able to negotiate discounts of up to 60%. For those of you that are still interested, send a private message (via Nextdoor), email (jstempora@aol.com), or letter to Jeff Stempora with an estimate of the square footage that you will need. If we can collect enough total square footage, we will try to get at least some level of discount for the neighborhood.

Speeding, Graffiti, and Trash

Recent reports of cars speeding in the neighborhood necessitate a reminder that the posted speed limit for all streets in the neighborhood is 25 mph. There are many children and walkers in the neighborhood. Let's practice safe driving and be sure to reinforce that with all the drivers within your home.

Recently we have had reports of graffiti, including lewd pictures, being painted on driveways, sidewalks, and at the park. Please report these on the non-emergency police line (870-1125) when discovered. For those of you who are trying to remove that graffiti, a number of people in the neighborhood have power washers. Send out a request on Nextdoor and you should be able to borrow one.

With the upcoming spring storm season coming, we would like to remind everyone to secure their garbage and recyclables when placing them out on the curb. Trash can be placed within tied trash bags and recyclables can be placed in clear or blue tied trash bags and the same can be placed within a blue container if necessary.

Thanks

Thanks to all who helped their neighbors shovel or clear snow during the winter season especially Bob Macyko for his efforts in keeping many of the sidewalks, driveways, and streets in the neighborhood free of snow.

Upcoming Events

Day of Caring April 15-17
Annual Meeting May 11
Neighborhood Garage Sale May 21
Annual Picnic July 10 *New Date

Thank You to the Residents Who Have Paid Their Home Owner's Dues and Make Frontier a Special Place to Live (Paid as of 3/10/16)

If you believe you paid your dues, and your address is not listed, please contact us immediately.
