Dear Gymnastics Sponsor,

Our competitive team currently participates in Sanctioned events throughout Southern California. Stars Gymnastics is looking for sponsors to provide assistance for our team members. Each Team member has many expenses throughout the year and we are hoping that you are willing to make a contribution towards these fees that include competition fees, uniform fees, and fees for out of state competitions. It takes dedication and hard work to produce a winning team as well as support from people like you.

Stars Gymnastics provides an opportunity for athletic development and emotional maturity. We want every student to leave our program as a better gymnast and person. We invite you to become involved in making this a truly memorable year.

Thank you for your support.

Team Manager
Alyssa Bueno
