STORM Lacrosse Financial Assistance Application

Note from New World Sports President, Sue Murphy: As our girls lacrosse program continues to grow, we need to help young student-athletes participate at the appropriate skill level. Financial hardship should not keep a young girl from playing with STORM Lacrosse, and thus, NWS is offering **partial** financial assistance. Our goal will be to endow this assistance each season as to have a permanent place in our STORM program.

To be eligible for STORM Lacrosse Financial Assistance, please fill in the following information:

Date: ___/____/____ Graduation Year: _____

Parent's Name: _____

Daughter/Player Name: _____

Address: _____

Parent Cell: _____ Parent Email: _____

Total Family Income: _____

Reason for Requesting Scholarship: _____

_____

_____

_____

If I am awarded Financial Assistance, I will make every effort to give the STORM program a 100% commitment to tournaments and practices. I will remain humble and confidential in my discussions about my assistance if granted, as I understand others might be turned away. I recognize that this assistance is **partial** and the remaining balance must be paid on time. In return, I agree to work with STORM leadership by helping the organization in one or more of the following areas based on the programs need and my families availability:

- Team Manger
- Working with the Thunder Youth Program
- Working NWS/STORM clinics

I have read and understand the above statement and agree with the terms.
