Next FunFly/Swap Meet: August 11, 2018

AMA CHARTER #895

Direct correspondence to: Bruce Whatley, 8202 Cheshire Way, Louisville, KY 40222

July Meeting:

The June meeting was held on July 3 at the LRCC flying field.

Old Business

We discussed the car track and feedback was positive. We are now working on improvements, track is looking better each week. Too windy to fly, we can race cars.

New Business

Due to the library show the August meeting will be held at the Fern Creek branch of the Library and the Fun Fly has been moved up a week to Saturday August 11. The library has already published flyers and is concluding the summer reading program with a visit to our flying field. We will be hosting them with flying demonstrations and buddy box flying. Instructor pilots get ready we will be flying till 3:00 PM.

Library Show

The library show will be from Monday August 6 through Friday August 10, 10AM till 9PM. We still need a few volunteers to help cover the show. You will be talking to people about RC and help keeping little hands off the planes on display. Day or evening, if you would like to help even for a few hours call Jim at 502-216-0240.

The Usual Reminders:

- >Jerry has vinyl club window decals. Nice and only \$12...
- >Jerry has a new order of club caps on the way. Caps are \$12, shirts \$12 to \$16 depending on size. He has some shirts in stock. If you have a special request, contact John Vetter.
- >AMA cards must be displayed while flying. There are card sleeves in the file cabinet in the club house.
- >Guests may fly on three separate occasions before being required to join and fly as a club member.
- >Note we do not send out renewal notices for membership, the postage is too expensive.
- >When locking the gate, the chain goes under the gate not over.

Special thanks

To Tom Stryker and Phil Monks who have joined our field maintenance team.

Below is last year's display at the library. We also had a display of quads and helicopters as well as a wall mounted TV with flight sim and videos of field events.
