If members have problems receiving the e-mails , they were asked to notify us. Our web site will be updated soon. New members are needed so please talk the association up with your neighbors.

Bay and Beaches- Beach access is nearly complete, although not done correctly. Army Corp of Engineers will be making the beach wider and the dunes higher.

Vice President Anderson reminded members that only registered voters may sign the petition. He asked that members talk to neighbors to get 90% on board If and when we join Seaside Park we will bring a rather large block of voter voices that will effect policy making.

Bob Nora suggested that when you hand a neighbor a membership application, stop and wait for it to be filled out and money given.

Old Business- It was stressed again to talk up membership. The more members and signatures on the petition will help make financial costs lighter.

New Business- Kathy Fulcomer suggested having lawn signs made to advertise the association. She also suggested letting members know which businesses are part of the association so people will frequent those businesses. September 28th there will be a Stop Fema Now Meeting.

Special Business- Jim Anderson made a motion to accept the changes of the fiscal year in our by-laws. Jim Fulcomer gave the second. The motion carried.

Arlene Nora presented the new budget for the 2014 year. Jim Fulcomer made a motion to accept, and Jim Anderson gave the second. Motion carried. (attached)

Rocky again won the 50/50 and again was kind enough to give his winnings back to the association. The 50/50 goes a long way for paying for the use of the hall.

There was some discussion about how de-annexation will help the summer residents. Examples were given such as police response time, and cleaner beaches. Questions about how the beach at Mid Way would impact Seaside Park wanting us. Mid Way is a private beach and community, no impact seen.
