

Grandma's Place Early Learning Center

Older Infant Room 9 months—18 months

What do we do in the Wobbler Room? When I'm in the Wobbler room I like to:

Listen to my teachers read to me
Explore and climb, in my classroom and the play gym
Hear, see, touch and Feel things around me
Build relationships with my peers
Build a sense of self
Repeat tasks that I can master myself

What should I bring to school?

1. Diapers and wipes for the week

Cloth diapers are welcome, please talk to the director about accommodations.

2. At least two changes of clothes

I get messy during the day and sometimes my diaper leaks.

3. Sturdy Walking shoes

Our class goes to the playground and good shoes help me play safely outside

4. Thin blanket and a sheet

We ask each family to provide their own bedding, the smell and feel of bedding from home is comforting. Please bring an extra sheet incase one gets dirty. Small flat sheets or full size

What is my day like? Each week my teacher will post a group planning form telling you what we will be working on in my classroom. I will also have a individual planning form that tells you what my individual plans for the month that are designed to enrich my development. My teacher can show you a schedule we like to follow, but if I need more time my teacher can be flexible.

In the morning..... Keep communication open with my teachers. If I am having a rough morning or need extra cuddle time, please tell my teacher so I can have a good day at school. Please make sure to tell me good bye, so we can build a trusting relationship together. My teacher will assure me that you will be coming back, just like you always do.

At the end of the day.... Take time to talk to my teacher about my day and review my daily report that is filled out each day. On this report it will tell you if I am out of anything at school as well as all about my day. Be prepared that when I first see you I can be filled with emotion and cry, this does not mean I had a bad day, I'm just happy to see you!
