Security That Travels with You

If you made a list of things that were important to you, security and health would probably be at the top. You think of them when you're at home, of course. But what about when you travel?

Now security can travel with you. The MEDEX® Travel Assist program provides that security. Whether you travel for business or pleasure, whether it's 100 or 10,000 miles from home, the program works to protect you every hour, every day of the year.

What is MEDEX Travel Assist?
