McCLAIN'S MUTTON BUSTERS & KID'S RANCH RODEO

Mutton Busters'
August 11 & 12 • 7:00 p.m.

Kids Ranch Rodeo
(NO Horse Needed)
August 12 • 2:00 p.m.

*The Ranch Rodeo is for Kids young & old
with wooden cows that give real milk,
wooden horses everyone can ride, clowns,
jokes and fun!*

THE WILD COW MILKING involves teams of 4 (which we set up) who run down to the cow and catch her. While one member milks the cow in a little bucket, the "milker" gets on the back of the cow and the other 3 pull her back to the judge. The milk is then dumped into the judge's hand just like a real rodeo.

Another event we do is THE DUMMY ROPING event. We teach kids how to rope and we furnish the miniature feed sack and ropes.

We have pygmy goats to do the THE GOAT TIE. Even the toddlers can get involved. We put the ribbon on the tail and they run down to the goat, take the ribbon off and bring it back to the judge. As the kids get older the events get tougher.

There are races and activities for parents and grandparents too! Get involved with your kids and have a time to remember!

These are only a few of the activities that we offer. Come on out for a good time.

ATTENTION MUTTON BUSTERS

The two top winners will have an opportunity to go to the WNFR and ride in the Mutton Finals.

2016 CHERRY COUNTY RODEO QUEEN

Hey there, I'm Dali O'Neill, Miss Rodeo Cherry County 2016-2017. My reign is coming to a conclusion. The year has flown by and I am now looking at the future. I'll finish out my senior year at Cody-Kilgore competing in every extracurricular activity I can get my hands on: basketball, drama, speech, FFA, and National Honor Society. As for the present, I will continue to wait tables at the Bunkhouse.

This year has been full of opportunities. The highlight of my year was traveling to St. Paul, Nebraska, for an elementary visit. I participated in many other activities as well, such as: Old West Days, Bull Bash, Cherry County Fair, Circle C Days, State Finals, and many

others. I met several of our Ambassadors at the State Finals here in Valentine. Of course Fair can't be left out of this article. The competition was tough, but well worth it. Carrying Old Glory, recognizing faces, picking out friends and family in the stands was an honor. It's a feeling that can't ever be replaced.

My year has been filled with many blessings and challenges. This has been a year of personal growth. I have learned to overlook people's negativity and negative opinions. I've had to make several difficult decisions that has determined my future's outcome. This year has changed my perspective on life and has made a huge impact on me. As for the contestants and future queens of Cherry County, my advice to you: you're a queen whether you are wearing a crown or not, so act like it, hold yourself to high standards, and make opportunities for yourself. There are many hours of hard work that remain unseen to the public, but make those hours count. I am blessed to say I have been Miss Rodeo Cherry County. It has been a true privilege to represent everyone in Cherry County. Once a queen, always a queen. See you at Fair!

*God Bless,
Dali O'Neill*

The Lady Wranglers are proud to present *The American Miracle*

The Lady Wranglers, the 2017 Grand Marshall of the Cherry County Fair and parade, are proud to present *The American Miracle*, sixteen of the more famous flags that have flown over this great land. A brief history of each flag is given starting with Columbus' flag and ending with the 50 star of today.

The Lady Wrangles are a mounted drill team that was organized in 1992. They were organized as a social and educational group who loved horses. They want to develop good horsemanship while supporting and promoting Cherry County. For twenty five years,

The Lady Wranglers have gone on trail rides, rode in parades, preformed at county fairs, sponsored horse shows, and helped with the grand entry at the Cherry County Fair.

They would like to extend an invitation to anyone interested in becoming an active member. New, younger members are highly encouraged to join and continue the history of the Lady Wranglers with new ideas and energy!

Nancy Krier judges Fair and presents trunk show

Nancy Krier will judge the Cherry County Fair and present a trunk show at 11:00 am, August 10, 2017 in Valentine. Nancy Krier, long arm quilter and quilt enthusiast will be judging the 2017 Cherry County Fair. She will be presenting a trunk show at 11:00 am, August 10 at the Cherry County Fair 4-H building on the Fair Grounds in Valentine. Please join us for a wonderful hour of lovely quilts.

Nancy began sewing and crafting at an early age, sewing most of her clothing during high school and college. Then as her friends began starting their families she made some baby quilts as gifts. They were simple tied quilts, made without a pattern and with whatever fabric was on hand.

Her first quilting class was a quilt-as-you-go log cabin and she immediately finished it and went out to buy more fabric to begin another one. Thirty years, 5 sewing machines and innumerable

yards of fabric later, she finally finished that one! In 2008 she purchased a long arm quilting machine with dreams of getting all of her quilt tops quilted and done. She practiced on her own for about 6 months, then started a business of quilting for others. She upgraded to a larger machine a few years later and has been busy quilting ever since, but she still has a large stack of her own quilt tops that need finished. She loves to try a new technique or fun pattern and can't resist starting to piece another top.

Nancy and her husband live on a farm east of Herrick, SD where they raised their two children, and continue raising cattle, corn, soybeans, and hay crops. They also sell crop protection products. The bookkeeping for all of that is her "day" job. Nancy is an active member of the Rosebud Quilt Guild in the Burke, SD area and likes to do a little gardening, camping, and fishing.
