

What farming means to me . . .

A large, empty rectangular area with rounded corners, intended for a person to write their response to the question "What farming means to me . . .".

Vermilion County Farm Bureau will be celebrating 100 years of service in our community. Join the celebration by having your child design a poster to promote the many ways farmers provide us with food and fiber while being stewards of the land.

Your child may use crayons, markers and/or colored pencils.

Have your child complete their drawing, fill in the form at the right and return it to your child's teacher by **November 22, 2017.**

A winner and honorable mention will be chosen from the following grade levels: 1st-2nd; 3rd-4th; and 5th-6th. Those selected will be recognized by Vermilion County Farm Bureau, with the winner receiving \$30 and honorable mention receiving \$20.
