A Case for Christmas—Bible Study

Thursday Bible Study will be starting Lee Strobel's "A Case for Christmas" on November 30th. It's a 4 week series and will wrap up the Thursday before Christmas.

In the Case for Christmas, Lee Strobel investigates the story of Jesus' birth and provides compelling evidence as to why we can know the Bible's accounts are true. He examines what the scene of Jesus' birth would have actually looked like, the Bible's mind-boggling claim that Jesus was born of a virgin, and how prophecies about the Messiah in the Old Testament were fulfilled in Christ. You will discover all the evidence points to the fact that Jesus was who he said he was: the divine Son of God.

Let Debbie know if you'd like to join them for this series, so she can be sure there are enough books.
