

MARLBOROUGH OPEN HOUSE SPECIAL PRICING GOOD THROUGH 3-19

Laser Cube Model	Power	Price	Show Price	Notes	Payment w/ 120 Day Skip 84 Mos
Laser Cube	500 W	\$219,000	\$199,000	Linear Drives, Air Cooled YLR, 2 yr.	\$2,884
Laser Cube	450/4500W	\$229,000	\$209,000	Linear Drives, QCW – 4500 W Pulse, 2 yr.	\$3,028
Laser Cube	1000W	\$239,000	\$219,000	Linear Drives , Chiller, YLR, 2 yr.	\$3,173
Laser Cube	1500W	\$249,000	\$229,000	Linear Drives, Chiller, YLR, 2 yr.	\$3,318
Laser Cube	2000W	\$259,000	\$239,000	Linear Drives, Chiller, YLR, 2 yr. NEW SPECIAL	\$3,463

Laser Cube	2000W	\$273,000	\$253,000	Linear Drives, Chiller, Upgradeable, YLS, 3 yr.	\$3,666
Laser Cube	3000W	\$292,000	\$272,000	Linear Drives, Chiller, Upgradeable, YLS, 3 yr.	\$3,941
Laser Cube	4000W	\$308,000	\$288,000	Linear Drives, Chiller, Upgradeable, YLS, 3 yr.	\$4,173
Laser Cube	5000W	\$325,000	\$305,000	Linear Drives, Chiller, Upgradeable, YLS, 3 yr.	\$4,419
Laser Cube	6000W	\$344,000	\$324,000	Linear Drives, Chiller, Upgradeable, YLS, 3 yr.	\$4,695

All Laser Cube Models Include

- A. Linear Motor Drives – no ballscrew wear, no rack wear, accurate to within .001”, always
- B. Programmable Focus Control – easy adjustment for quick set up of machine
- C. Sliding Table System – Table pulls completely out of machine for easy load-unload
- D. Made in America by IPG Photonics outside of Boston, Mass.
- E. Warranty – 1 year machine – 2 or 3 years on IPG resonator according to resonator
- F. Price includes Installation, Training at IPG Factory at Sign Off, and Training at Customer
- G. Financing available for qualified buyers with 1 payment down
- H. Options available as follows. See notes for factory install or field retrofittable

NOTES:

Vision System - \$14,500 – Use for combo parts, two process cutting, orientation, retrofittable

Radan Essential - \$4,950 – Programming Software

Pneumatic Clamps (2) - \$3,900 - Power Clamping – **factory option only**

Motorized Door - \$4,500 - Fast door operation by motorized control – **factory option only**

New - 4th Axis Rotary - \$39,000

New – \$140,000 - LaserCube AutoPilot -Auto Load-Unload

HOW TO ORDER : Easy to order. Guarantee price and delivery. Complete by March 2019.

1. Circle model and options above or issue PO to IPG Photonics,
2. Email to dbrennan@ipgphotonics.com Phone Dean Brennan at 408-691-0299 for questions.
3. IPG will confirm and return by email. Delivery will be specified at time of confirmation. First come first serve unless otherwise specified. Down will be invoiced 30 – 60 days prior shipment
4. All models are sold F.O.B. IPG factory in Marlborough, MA, USA. 17 feet of air ride trailer required for shipment. All components fully crated and main machine body includes shake meter to monitor shipment.
5. Installation by IPG qualified service engineers and training after hook ups to machine are made. Normal installation and training time is one week. Field sign off of machine after install and training.

Accepted: _____ Complete by March 2019 to confirm
