SUBJECT: Decry 16<sup>th</sup> Level #13B TV, Movies, AOL, Communications Etc.

TO: Governor Andrew M. Cuomo Office  
New York State Executive Chamber  
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

THIS IS A 16<sup>th</sup> Level DECRY CALLED A DECRYMIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM MIUM. THIS LEVEL IS HIGHER THAN THE DECRYMIUMMIUMMIUMMIUM AND HIGHER THAN A DECREE

I PAULETT ANGELLA HEMMINGS EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, ESISTENCE, AND ANYTHING INBETWEEN DECLARE THAT:

### **TV Murders**

Many TV are involved in killings and murdering of my children (all of you), as the federal and republic governments get the TVs to do it. The TV take turn to do murder, abduction, terror, torture, and destruction on your body and mind and in your community and environment. Then they say someone or many have to pay for it. They plan and put together those they want to be charged and they put them in the situation where the devels can have access to them. They use an innocent person and many innocent peoples and higher, and the devels control their tongue, mouth, brain, and thinking. They use the speech devels to possess their mouth, tongue, and brain, and speak from their mouths in admitting to crime they did not commit.

Many times, the local courts in the districts where these crimes are committed, see and know that it is federal wickedness and they then turn the case over to the federal. The TVs have zoners, scanners, vectors, microscoptic lenses, drones and many other tools to assist them to find innocent peoples. They will control the victim with the zoner by isolating their minds and body in different areas not inside this natural natural Earth so they are disoriented and they will sting, burn, bite, terrorize with the sounder, and the vector, and the multiple tools and helpers they have to work in wickedness, these innocent persons will not have any time to do their normal duties or handle their normal responsibilities, and the devels allow the victims homes to go unkempt so they can show that this person is not worthy and is insane, corrupt, and doing things abnormal and must be arrested or seek psychiatric help. The devels will put things on my children (your) computer and connect your computers to web sites they want to use as evidence to say the person is pedophile, or working on bombs, or trying to destroy places, and many ways we hear on the TV they said which are all conspired by the devels including the police and the TVs who put these as evidences against my children, so they all have work to do in solving their own crimes.

The federal government devels include the FBIs at times, the Secret Service, the senators, the congress man and woman, governors, TSA, Homeland security, the justice department, the department of interior, many actors and actresses, pastors, popes, many international country leeders and a whole host of other willing and unwilling participants to join them in rapes, abductions, murders, strangulation, many tearing and breaking of our bones, terror, horror, torture of our bodies and complete acts of wickednesses. The TVs films these wicked acts, used them for TV shows, and also for creating big screen movies. Right now, they are torturing me so look at what the TVs are doing to this document I am working on.

The devels also get one or many politicians who are to do wickedness and attach them to the innocent victim (s). These devels then murder and kill others, take the innocent persons, cut the time, cut the days out, put the person in that spot, and say it is that person who did the crime when it was all planned.

Many of these wicked things are ongoing by the minute and by the day, and you do not hear them on TV until they are ready to arrest the person and the TV call him or her criminal. They then read out how many times the innocent person has been arrested for drunk driving, for possession of narcotics, for speeding, for resisting arrest, and other things they planned prior and put the person in so they can have evidence and a record. Then the news reporters say that the innocent person is not worthy of sympathy because they have been doing unlawful things, or things that is not of a good citizen.

My TVs stations, radio stations, newspapers, cable, communication networks, entertainments, moving pictures, have been taken over by the movie producers who are also the devels, and they stole my properties. Some of these devels are the fox animals who renamed my studios and TVs as Fox TV, which is also Fox entertainment. Time Warner Communications/ Time Warner Entertainments/Warner Brothers, News 13, are also Bright House TV and Spectrum and many other organizations they merged, acquired, or used over a period of years. They also have the cable TV, FOX, CBS, Disney, and connected to Direct TV, Paramount, AT&T, Universal, Tribune Newspaper, Food network, Staten Island Advance, The Post Standard, The Republican, Tribune Publishing, Radio stations, Viacom, Six Flags, **America on line (AOL)**, **Chase Manhattan bank**, **Microsoft**, kalamazoo gazette, The Jersey Journal, the south jersey times, Hunterdon County Democrat, the Times, the Herald, Daily News, Chicago Cubs baseball, Geraldo Talk show, Chicago TV, Check free electronic payment, Excite website & emails, McGraw Hill Co, Career builder, **TelePrompTer** Cable TV, Group W Cable, advance publications, Advance/Newhouse, Paragon Cable, Shaw Communications, CW TV, Cablevision, Chapter 11 Bankruptcy protection 2008 to 2014, Comcast sports network Chicago, Discovery Communications, Brides.com, Glamour, World Golf, Vogue, Styles, Allure, Conde Nast, Arts Technica, Architectural Digest, **hemmings.com**, bizjournals.com, **religionnews.com**, reddit.com, NJ.com, cleveland.com, mardigras.com, pennlive.com, Mlive.com, syracuse.com, Vanity Fair, The Discovery Channel, advance.net, cooking channel, **New York Stock Exchange trades**, **JP Morgan**, FCC, **Tronc/Trump**, UCF's Bright House Networks Stadium/Spectrum Stadium, Bright House Field/Spectrum Field, Bright House Networks Amphitheatre, Futures Tour Bright House Networks Open golf tournament, and much more.

Donald Trump has a large percentage of ownership in almost all of these entertainment, publications, and communications networking and organizations above, and he is a politician, and a president. Barak Obama said he is from Chicago, and he and other Presidents used the TV, Radio, Newspapers, cable, and various communications networks to boost their illegal leadership, as they have illegal part ownerships in my properties. The movie companies also control these news, media stations, and

communication, and they only tell you what they want you to know and hear which are all lies and conspiracies to defraud and to deceive you.

**It is alarming that Donald Trump has the gumption to use my name in his ownership as he owns Hemmings, the world's largest collector car marketplace. What other corporations, organizations, or firms that Donald Trump and other US Presidents/Leeders and World Presidents/Leeders own in the hemming name and in my name, that are undisclosed and hidden?**

The devel animal Fox Entertainment, is reported as being connected to the following: New York Radio Stations WNEW/ WBBR, WHFI/WNEW-FM, and WWFS; Cleveland WHK-AM-FM; KOVR in California; WIP-AM-FM in Philadelphia; WTVH-TV/WHOI in Illinois; WTVP television/ WAND in Illinois; KMBC-AM-TV in Missouri; KTTV/ KLAC; KLAC-FM/ KIIS-FM; Metromedia, Metropolitan Broadcasting Corporation (MBC); **Metromedia Producers; Metromedia Records; *The Merv Griffin Show***; WCVB-TV in Boston; Rupert Murdoch - bribery and corruption by the British government and FBI investigations in the U.S; 21st Century Fox and News Corp through the Murdoch Family Trust; *News of the World*; Fox News; Motion Picture Corporation of America; The Samuel Goldwyn Company; and other television syndications. Syndications is sindecation and means sin devel cats.

These Movie producers and others have giganamous access to outside the Earth and they have private space shuttles, space ships, space boats, and space transportations. They go into my chreations that are made up of many different lives like the lives of everyone in this Earth, and they put terror on them, tortured them, and destroyed many chreations. The chreations have to move from place to place to try to get out of the desolate destruction these wicked devels put on them from this Earth. These wicked Movie entertainment devels and other similar ones from different countries use meganamous high power to remove the top of this Earth, so they can get to the outside of the earth when they want to. They do not care of the destruction of our lives and the destruction of the earth when they used these high-powered equipment and tools to melt the earth top and open or cut out other parts of the earth to get in and out.

Many times, other lives outside the Earth see the desolation of these Earth, and they put stronger and stronger outside cover over the earth to protect us, and these movie devels and astronauts destroy the covering, so they can get in and out. They use my children in my Chreations, and destroyed and corrupted them. They use my children as tools, equipments, machines, buildings, and other necessities they want. They stretch them, twine them up, and use them like trash, wires, fillings, as dead thing. Some of my children they used, as I am describing, are you same ones in this Earth, when you die and they take you out of the earth and put in their heavens. They also put some of you in other places when they destroy these Earths. I charge and sentence all movie producers, TV producers, and others who have destroyed my Earths and my Chreations.

From what I am learning, the TV stations and the movie producers have been in control of this Earth and the fate of this Earth for a long time. They are the same politicians, and Wall Street Tycoons. They support each other, and are the ones who decide on who to run for presidency, who to get the presidency, and leedership of many States/countries. They have the media (TV, Cable, newspaper, radios, internet, wireless media coverages, and they are the ones who give say who is the election winners, and they give the voting counts. There are many ways that these devels operate, that you cannot see or know.

1. **In Article 7, dated April 28, 2017, I COMRANDA** America On Line (AOL) company cut from Advance/Newshouse. AOL to operate on its own and to take whatever it needs from its current owner to operate efficiently and effectively. AOL must return to the public the tracking of those who have viewed the email sent. No charges to customer for any feature of AOL.
2. Without any notice, since this July 2017, AOL is using enforcement power and has shut down all the email features and is forcing the account holders to pay a fee of \$4.99 per month in order for them to view their email and use the email system. I charge and sentence all who are responsible for obstructing and overriding my authority with Treasonous 16<sup>th</sup> Level, and you are all in maximum security state prison, has no power, authority or to give power or authority to no one to do your work or to make your things go on. You own nothing in my chreations, this Earth and no place. All of you should get no parole, no food or water every two weeks, and with terror on you and severe punishments by the hour.
3. With effect from this document, America on line email and all communications and connections and subsidiaries are solely owned by Paulett Angella Hemmings, Earth. AOL.com is now called Jah on Line (jol.com).
4. America On Line (AOL) is connected to Time Warner, Verizon Communications/Frontier Communications, Oath Inc., Microsoft, Millennia Media, Netscape, CVS/CareMark, Frank J. Caulfield - **United States Military Academy (USMA)/West Point, Kleiner Perkins Caulfield & Byers (KPCB)**, Venture Capital (All Paulett Angella Hemmings Earth moneys), Private Equity (Paulett Angella Hemmings Earth moneys), Twitter, twitter.com, Snap Inc, snap.com, Verifone, Dell, Dell Wyse, dell.com/wyse, US Russia investment fund, Refugees international, Council on foreign Relations, HealthCap (European VCF), Child abuse prevention society, Compaq computers, Amazon.com, Square inc., Genetech Inc, gene.com, DNA replication, origin of DNA, fix nitrogen, chromosomes, cloning, vectors, cloning vectors, Episome, Plasma, disease models, gene therapy, protein production, sex cells, sex plasma and plasmids, Cancer, Cystic fibrosis, multiple sclerosis, Alzheimer's disease, **How to get into the Brain**, Neuroscience, DNA epigenome/epigenetics, Hemophilia blood disorder, Roche group, life sciences journals, academic publishing, peer review, research, validity, scientific methods, periodical publications, nature, ephemeral, scientific papers, sciencedirect.com, Macintosh computers, Howard Goldberg and Dave Panzl, Tandy Corporations, CompuServe, graphics interchange format (gif), Chapter 11 bankruptcy/fraudulent accounting, corrupt WorldCom/MCI, Citigroup, Citibank, Citi, Citi private banking, Citicorp, travelers group, Citibank of new York and New York State charter 1812, Citibank of New York and federal reserve bank of new York 1913, and H & R Block to name a few.
  - a. Venture capitals investments Trump, Barak, Clinton and others have and used with Paulett Angella Hemmings Earth moneys are connected to The Wallenbergs, Vanderbilts, Whitneys, Rockefellers, and Warburgs, notable investors in private companies. In 1938, it is reported that Laurence S. Rockefeller helped finance the creation of both Eastern Air Lines and Douglas Aircraft. Before World War II (1939–1945), money orders (originally known as "development capital") remained primarily the domain of wealthy individuals and families (Rankings). Only after 1945 did "true" private equity investments begin to emerge, notably with the founding of the first two venture capital firms in 1946: American Research and Development Corporation (ARDC) and J.H. Whitney & Company, Georges Doriot, the "father of venture capitalism" (and former assistant dean of Harvard Business School),

founded INSEAD in 1957. Along with Ralph Flanders and Karl Compton (former president of MIT).

As you can see from the above connections to AOL, with so many different corporations and all the various MAN who have taken over my organizations, my financings, my corporations, my firms, and put them in their names and all controlled by PUSSY BATTY MAN.

- b. Through the AOL connections, Donald Trump and Barak Obama both have access and control over bio chemistry, brain knowledge, brain control, genes knowledge, pharmaceuticals, vision, medicine, skin cancers and body diseases, cloning, vectors, blood knowledge, sex cells, refugees, foreign relations, scientific research, university peer review, computer technology, electronic and visual communications, accounting, banking and financing, bankruptcy, and federal reserve banking among others. No Man/Ban is to have control over these organizations as their brains are not equipped to handle these things, and they are controlled by devel power and devel inspiration. Other leeders like Bill Clinton, and all past US Presidents and most world presidents/leeders and organization leeders, they also have illegal and mal rule access and control over all the above.
5. The movie and the TV are the ones controlling and running this Earth and the politics. They control what you know, how much you know, the quality of what you know, and what they do not want you to know. They use the fake Presidents, the impersonator presidents, and leeders, and they cut and join the time, they cut and join the news broadcasts, the live events, and they control you. The TVs, the movies entertainments are one and the same illegal owners by the same Fox, Time warner and other names owned by Donald Trump.
6. There are other Presidents, senators, and congress peoples who illegally took ownership of my properties as well. They all have their own illegal private jets, fleet of airplanes, fleet of vehicles, fleet of helicopters, they have many homes, they live and enjoy your moneys and my moneys, and we cannot get what are ours because they take over the banks and they are the leeders and operators of the banks, Wall street, and all Financial firms. They are the same ones using the bankruptcy processes that you cannot use. They are the same ones filing for bankruptcy after bankruptcy, as they are using my money frivolously and without care as it is not theirs.

### **News Media**

All TV stations, cable, internet, radios, newspapers, and other medias that support politics and the devels, I charge you for every news report, commercial, infomercial, news segment, movies, advertisement, promotions, or broadcast segment, about politicians you have broadcasted since I told you to stop this year 2017. I charge and sentence all of you.

### **Governors**

The State of Florida is responsible for the abduction and destructions in my life since I moved to Florida. Governors Charlie Christ, and Rick Scott, of Florida who are all man, are responsible for killing, terrorizing, and destroying my life along with the US Presidents, the federal governments and others.

### **Fire Engines Zones**

No Fire organizations are to use zoners, scanners, microscopitic lenses, any long or short reaching lenses, body copiers, drones, vectors, or any devices given to them by the military, army, police, TSA, Homeland Security, any law enforcement agency, or any they have made.

No fire engine organizations are to use zones as a way to do their work. Some water zones are connected to zoners. The zoners are the same instrument or tool that the federals use to illegally zone in communities, homes, individuals, places and to do devel works. Some zoners can also be used to burn and disfigure anyone. Some zoners absorb a lot of power that is attached to the water hydrants and are hydro powered. Using zones is bad for the fire engines, as fires can spread because you have to undo/disconnect the zoner in order to get enough power to connect to your hoses to stop a fire. Some police, military and Federal use this hydro powered zoners, and they will become a pest in using your water zones to power their illegally manufactured and illegally owned zoners. It is best to have fire engines that service certain communities and never to use water zones or water hydrants that are in zones.

Fire Engines are not and never to work with the Federal government agency no matter what agency they are from and no matter what type of work they perform. If you are there to put out fires, then that is what you do, but do not work with them in any planning or training. You are not safe working with the federal government. The federal government will use camouflage, ambush, and sorcery to discombobulate you and cut you out of yourselves. They will take you in remote areas like in the zodiacs, heavens, and human spares that you are never to be in. Do not use the eyes the federals or others give to you to see, as the devel travels to your brain and body through the eyes they give to you to wear.

You have many eyesights, and when the federals get in your body, they will cut them out and you do not know, and the federals will give them to others, while they take others eyes and give to you to use. You should know that the federal government insects and animals also use blood from the blood bank as power, and they use dry blood as power. The federals are the ones who use the blood from the blood bank and absorb the blood. The federal do not want the hospitals to use the pig blood as the pig blood will poison them. The federal cannot use the Israel nation to kill the sheep at the temple in Israel anymore, so they come up with the idea for everyone to give blood if you want to. When the blood bank is dry it is because the federals and those like them use the blood. This means the federals can get inside your bodies and suck out your blood especially when they come to your fire engine often.

### **Liquid Poured on my Bed**

On July 23 and 24, 2017, I got up and used the toilet after I went to sleep in the morning. On the first day, I awoke with my bed and clothes wet, and I couldn't understand why my bed and sleeping clothes were wet. The following night, I again went to sleep in the morning, got up and used the toilet and went back to sleep. I awoke again with my bed and clothes soaking wet. This time it was worse than the first. The Federal government opened the top of my roof at home and poured down liquids on me while I was asleep. This is no joke and not me urinating on myself.

### **Court Proceedings**
