**-MANY THANKS-**

A very special thank you is extended to the Gaslight Theatre Board of Directors for allowing us to present this remake of a classic production of "Miracle on 34<sup>th</sup> Street." We also want to thank the volunteers who gave their own time to man the box office. Little did we know that the outpouring of volunteers who offered support and suggestions would be as overwhelming as it was. A heartfelt thank you goes out to Joseph Graber who volunteered his God given artistic talent to paint our lovely scenes. A very special thank you goes to David Pokluda and Jim Winkenwerder, who took our stage ideas and made them a reality. Travis and Laura Kremling at Texas Thunder Radio in Hallettsville, my dear friends, took the time to do the recording and voiceovers which brought so much to this play, we say thank you. Tracey Jalufka, a close confidant, thank you for opening Shiner Embroidery Works so we could put on the final touches.

Last, but not least, the cast. What a wonderful group of people to work with. All were ready, willing and very eager to make this play a success. Most were newcomers to the stage and you would never have known it. Thank you for being our teammates, for it truly took a team of people to pull this all together! God Bless, Delise and Sue.
