

Shakespeare in China

A cultural celebration of William Shakespeare, and the impact his words and characters have made in China over the last 150 years.

Shakespeare in China

1. **A feature length documentary** , 450 years in the making, telling the true story of how Shakespeare's words travelled 5,000 miles to reach a new audience through classic Chinese Opera.
2. Providing teachers and their students the **educational and entertaining opportunity to learn and enjoy Shakespeare.**
3. Supporting **new and traditional performances** of the most popular plays of Shakespeare **on stage and on the big screen.**
4. An **annual festival** bringing world famous Chinese actors, producers, directors and educators to **share their talent and love of Shakespeare with peers from around the world.**

About The Actors Hall of Fame Foundation.

The Actors Hall of Fame is a non profit foundation dedicated to providing dramatic arts education to students everywhere.

We honor outstanding lifetime accomplishment by actors in Film, Television and Theater.

We believe that dramatic arts builds self esteem, improves language, fosters teamwork, communication and mutual respect.

Working with our Chinese production and educational partners, we will create exciting new opportunities for artists, students, and educators.
