**2018-2019 Handbook**

## **Auditions:**

- Students will select a verse and chorus (60 seconds) of a pop a cappella piece to sing for the director. This piece must be memorized!
- Callbacks will take place the day after initial auditions. Students will be contacted by email if they are needed at callbacks. The sheet music for “Roar” is available on the Nordonia Choirs website. Students must look at and listen to their part online and sing their part in groups at callbacks. This does not need to be memorized, but memorization is highly encouraged.

## **Results:**

- Results will be emailed individually to each student the night of auditions. If you have any questions about your audition, please wait one (1) week after auditions to contact the director and a conference will be scheduled.
