A Heart Like Ava is a 501(c)(3) non-profit charity dedicated to raising funds for Congenital Heart Defect research, raising CHD awareness, and assisting families affected by CHDs. Last years race enabled A Heart Like Ava to donate \$12,000 to the Congenital Catheterization Research Collaborative (CCRC), directly benefiting the research of Ava's cardiologist, Dr. Bryan Goldstein and his colleagues. The remaining \$2,500 raised during the race has been used through out the year to provide care packages and other financial assistance to families affected by CHDs. We could not do it without YOUR support! Please visit www.aheartlikeava.org for more information.
