At the September 12th Membership Meeting we will be voting on the by-laws changes that were presented and discussed at the August 1st Membership Meeting. These were printed in last months bulletin if you need a copy for review. In addition to the already proposed changes there was an additional change that will be voted on in OCTOBER which is:

Article XV: Use of Revenue

A: All funds and assets of the club shall be used only for the purposes that are consistent with the purpose of the club and for actual administrative expenses in conducting the affairs of the club under the direction and with the approval of the Board of Directors. All expenditures of more than \$2,000.00 for club improvements must be discussed at a regular membership meeting. Must be accompanied with a minimum of 2 bids, and upon acceptance, published in the bulletin and voted on at the next regular or special meeting, where a majority of all members present is required for acceptance.

Proposed change/add: "in the case that two bids are not received in a timely fashion one bid may be accepted."

NOTICE: There have been more and more instances of alcohol being brought on to MLBC grounds. **THIS IS PROHIBITED!!!** You are jeopardizing our liquor license as well as your membership.

Handicap Parking: We have designated the parking spot by the door of the clubhouse for VAN ACCESSIBLE handicap vehicles. Please be respectful of this as it is hard for our members with wheelchairs to get out of their van if having to use most other spots.

Thank you:

Thank you to Rich Rafferty and Nate Garland for putting up the railing to prevent 'jumpers' off the gas dock. It looks great!
Thank you to all who volunteered to help make the car show a great success. Special Thanks to Mike Schroedter for bringing it back!
