

SJ-100 Jogger

Shark Finishing Machinery introduces to its line of digital print finishing equipment the SJ-100 jogger. This table-top paper jogger is electric and easy to use. It is compact in size and requires only minimal maintenance. We recommend using the SJ-100 jogger before printing, collating, binding and cutting to significantly reduce static and double feed. This jogger has an adjustable front load tray with separate air and vibrate function. It can easily accommodate up to 13 x 19" stock. The SJ-100 is heavy duty with large rubber non-slip feet and has a tray capacity of up to 4 inches thick.

- Thickness capacity 4 inches
- Paper size 13x19"
- Electric
- Air Bed
- Vibrate
- Front Load
- Adjustable Bed
- Table Top
- Heavy Duty
- Rubber Feet for stability
- Push Button Operation
