DESCRIPTION: Beautiful high end target bow. Triple overlays on the back of the bow. Double-sided overlay tips. Overlays and tips are in great condition. This bow has no delamination; no cracks; limbs are straight. 2 filled drill holes on the back (to see enlarge pic on p. 3); No chips, dings or scrapes. No stress lines or crazing. A few minor scratches, dings, and nicks here and there. Typical yellowing of the limbs. The sight window was tapped for a cushion button which is missing. However, it does come with a screw-in plastic flipper rest (see pic on last page). Factory tapped for a stabilizer. Clear flat satin finish. The decal is in good shape. Overall, this is a really nice bow in excellent condition for its age.

This bow sold for \$115 in 1967, which translates to \$890 in 2020 inflation adjusted dollars.
