

Happenings

SUMMER & FALL
2019

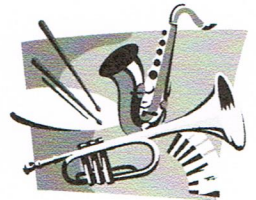

Tours of the Greater Rochester area
for those with a passion

Just a sampling of Summer and Fall happenings...

The month of May at the **George Eastman Museum** will be exciting as it entertains its visitors, just as Eastman himself use to do. Movie-themed tables will be on display and featured as a special fundraising event. www.eastman.org

Festival season has arrived, and right around the corner is the **International Jazz Festival**. Music will be all around with many free events. Hochstein puts on many concerts that are free and open to the public. The RPO has an active schedule too.

The **Rochester Museum & Science Center, Strasenburgh Planetarium and the Cumming Nature Center** all have numerous fun events, but the most exciting happening will be in July. The planetarium will commemorate the **50th Anniversary of the first moon landing!!** www.rmssc.org

Another noteworthy event is the **Suffragist city Parade** on 9/14 as the city marks the 99th anniversary of the passage of the 19th Amendment in August. There will be much more to look forward to as we head into 2020 and the 100th anniversary of Women's Suffrage. Follow **The National Susan B Anthony Museum & House** at www.susanb.org

Other notable events to check out include:

GEVA Theatre, Fairport Canal Days (early June), **wineries, Genesee Village Country & Museum** (opens in May), **Public Market, Seneca Park Zoo, Memorial Art Gallery, Hochstein & RPO** concert schedules, **Maplewood Rose Park & Historic Home Tours, Finger Lakes Fermentation Festival** (8/17 & 8/18), **Sunflower Festival** (8/17-9/8), **Rochester Garlic Festival & Harvest Festival** (9/14-9/15) and.....golf, baseball, tennis
