## **PRESIDENT'S MESSAGE BY BILL ROBERTS**

Shakespeare wrote, "All the world is a stage." I know that sometimes we can feel like we have little influence on the script and current world events may make us wonder if we are living or being controlled by life. However, I believe that our destiny is not completely out of our control. Forgiveness allows us to rewrite many otherwise tragic scenes. Anger, hate and hostility can be rewritten into love, compassion, and caring. When it's time to say your lines . . . Stick to your script – your attitude, your commitment and passion are showing the world what you're made of and you look marvelous!

Our March 3rd meeting minutes are included in this issue of the Beachcomber. Please review them as they will become part of the official record pending any edits for accuracy. Send your comments to [HBPOA34607@gmail.com](mailto:HBPOA34607@gmail.com).

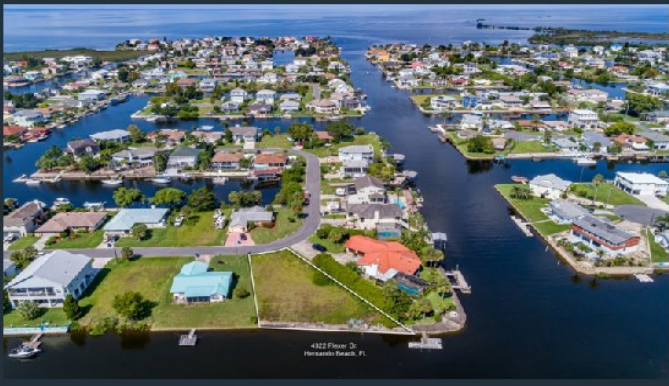

Our third HBPOA General Membership meeting hosted guest speaker Mr. Alan Wilkett who is the Director of Training and Outreach for the Bridging Freedom Organization. Mr. Wilkett has spoken at Rotary Meetings, Educational venues and other civic organizations. Bridging Freedom's mission is to combat sex-trafficking of minors by bringing restoration to those rescued and victim prevention to those they reach with their message. Their goal is to educate the community and work with partnering organizations to increase awareness about this horrendous issue. If you want to help, go to their website at: <https://www.bridgingfreedom.org> or call 888-373-7888. Here are a couple more organizations you may consider getting involved with to fight human trafficking; *Polaris Project.org* - Polaris operates the U.S. National Human Trafficking Hotline @ 1 (888) 373-7888, and *Missingkids.org* - The nation's nonprofit clearinghouse and comprehensive reporting center for all issues related to the prevention of and recovery from **child** victimization.

Last month I reviewed how the HBPOA protects your personal information (name, address, email, phone). April is time to review the HBPOA approved projects – both get dirt under your fingernails. If you guessed the Dolphin Foun-

tain on Osowaw and HWY 19 and Triangle Park at the intersection of Osowaw and Shoal Line Drive you'd be right. The community has supported these locations from inception to construction and maintenance for over 20 years. The HBPOA depends on your membership fee, online donations and our local business association to pay the water and electricity bill. The labor is provided by members of the community who take pride in this little corner of Florida. To everyone who contributes their time, talents and dollars, thank you. We'll always try to post weeding and planting days in the Beachcomber calendar so you too can participate in both rewarding HBPOA Approved Projects.

Please come to our meeting on April 7<sup>th</sup>, doors open at 6:30pm. The Membership Committee is hosting a classic Florida Hot Dog cookout. We'll have all the fixings and refreshments. Thank you to our members who canvassed our HB streets with the information flyers inviting their neighbors to attend and consider membership in the HBPOA.

### **HOSPITALITY COMMITTEE**

Hello Hernando Beach

As you know, these writings are presented for Beachcomber publication weeks prior to receiving the magazine in your mailbox or your email. Today as I write this, March 9th, 2022, we must acknowledge the challenges that Ukraine is experiencing. Our world has taken on a new view. The human toll and tremendous challenges in Ukraine are unlike anything any of us has probably experienced. Hopefully, each person reading this will find a way to lend support to Ukraine.

It is said April showers bring May Flowers and that is something to look forward to. It seems our cold fronts are behind us and we can begin to look forward to outdoor activities. We have already seen warm days with boats and jet skis traveling from our canals to the Gulf. Traffic on Shoal Line Drive has begun to increase. Outdoor dining is a given in Florida but even Florida residents reject outdoors when the temperatures are below 70 degrees. Spring is finally here.

By the time you read this, a few members of the ladies breakfast group attended a matinee showing of Newsies at Live Oak Theater in Brooksville. Occasionally some of your friends and neighbors leave the beach to explore other parts of Hernando County and beyond. A tour of the May Stringer house was on the schedule in March but painters decided to delay our plans.

Socials are an important part of our community. Prior to our April HBPOA meeting, James Fournier, a member of the HBPOA Board, has stepped up to plan a "Going to the Dogs" Social. There will be Hot dogs, chips, and a soft drink for your enjoyment as you enter the meeting. So, coming to an HBPOA meeting lends itself to meeting your neighbors, learning about Hernando Beach, and enjoying the goodies provided by your hospitality and membership teams.

Until May.....

Judith Hughes

## HB NEIGHBOR SPOTLIGHT SCOTT FITZGERALD

Hello Neighbors,

My name is Scott Fitzgerald. My wife Kendra and I moved to Florida almost seventeen years ago from the Boston suburbs. We spent the first thirteen years in Pasco county in a small town called San Antonio (I-75 & SR 52). In 2014 we purchased an empty lot in Hernando Beach with plans to build in the future. In the Fall of 2018 our new home was finished and we moved in.

Being on the water is not complete without owning a boat. In late 2019 I bought a 22' pontoon boat from my neighbor that needed a little TLC. In January of 2021 I put the boat in my garage and tore it down to the wood floor and rebuilt it completely..... With the help of MANY Youtube videos!

For the past 18 years I have co-owned a charter bus company in Boston and have been fortunate enough to be able to do 80+% of my work from home or from a hotel if traveling. Kendra has been employed at Northwest Airlines / Delta Air Lines for

over 28 years.

Kendra and I love to travel and thanks to her employment we have been all over the world and have seen many incredible sights. From climbing on the Great Wall of China to riding camels through the desert up to the Great Pyramids of Egypt. We have also been to all fifty states and have visited many of the National Parks throughout the country.

My hobbies have always been adventurous. In my mid-20's I earned my commercial pilot's certificate with instrument and multi-engine ratings. In 2005 I

learned to scuba dive in the cold waters of Massachusetts and continue to today with about 800 dives at this time. One of my diving friends also skydives so of course I said "why not". 150 jumps later with only one minor injury I decided not to tempt fate anymore.

I joined the HBPOA a little over two years ago and then became a board member a year ago. In that short time I have met many wonderful people who truly want to make this area a better place to live. I would encourage everyone to become a member and attend the HBPOA meetings on the first Thursday of the month.

Also, divers-down flags on vessels must be displayed above the vessel's highest point so that the flag's visibility is not obstructed in any direction.

Divers must make reasonable efforts to stay within 300 feet of a divers-down flag on open waters (all wa-

terways other than rivers, inlets, or navigation channels) and within 100 feet of a flag within rivers, inlets, or navigation channels.

Vessel operators must make a reasonable effort to maintain a distance of at least 300 feet from divers-down flags on open waters and at least 100 feet from flags on rivers, inlets or navigation channels. Vessels approaching divers-down flags closer than 300 feet in open water and 100 feet in rivers, inlets and navigation channels must slow to idle speed.

When divers are out of the water, a dive flag may not be displayed.

### **LARA DEDMAN CANDIDATE FOR SCHOOL BOARD**

I'm a mom of 18 year old twins and have lived with my family in Brooksville for 19 years. I'm a Speech Language Pathologist. I've treated children in our community for the past 14 years. I've seen 100s of children with poor reading skills and helped them improve using phonics based reading programs.

When my kids were in public school, I volunteered in their classrooms. In homeschooling years, I taught multiple group classes in subjects from science and language to history and finance.

Our school board needs to ensure our schools' curriculum stays pure, without political agendas and bias, like CRT. They need to truly listen to the voice of parents regarding the wellbeing of their children. They need to work within their financial means and not unnecessarily burden taxpayers. They need to improve the schools' literacy rate, which is currently below 50% and provide teachers with the right tools to raise our kids' literacy scores.

As a school board member, I would fight for all of these issues - values, voice, fiscal conservatism and raising the literacy rate so that our students graduate equipped with all the skills they need to become intellectually strong, upstanding citizens within our community.

### **JERRY CAMPBELL CANDIDATE FOR COUNTY COMMISSIONER**

Thank you for the opportunity to share about my experience and my love for Hernando County. I believe each experience in life molds and shapes you into who you are today. If we embrace each challenge with great courage and tenacity, they can help prepare us for the next challenge ahead. It is for this reason I believe it is important to understand what has shaped and prepared me. I was born in Alabama the youngest of 3 siblings to blind parents. For this reason and others at 6 months old, my brothers and I were placed into foster care. We made our way to South Florida and spent the next 12 years bouncing between numerous foster homes. We were eventually adopted and moved to North Florida as a family of 12. I learned the value of hard work and the dollar at a very early age.

My wife Tracy and I were middle school sweethearts and upon graduating we were married. We worked hard and had nothing handed to us. We never felt entitled or believed that life owed us anything. Tracy and I have been married over 25 years and have two adult daughters that are the joy of our lives. We have lived in Hernando for 17 years, we have raised our family and built our business here.

At the age of 18, I started delivering pizzas for Domino's. Several years later I was asked to be the store Manager and later a Multi-Unit Supervi-

sor. In 2009 I became a Franchise Owner. Starting with one store in New Port Richey. Over the next 10 years we grew to 7 locations (including 3 in Hernando County) and 175 team members. The skills I learned as a 26 year business leader/owner are invaluable, including managing an eight figure budget.

I am a Christian, Conservative, and a Republican. I am a Servant Leader and Character is important to me. My core principles are Honesty, Integrity and Respect. I am passionate about Economic Development and creating an environment for business to succeed. I believe in limited government, low taxes and the balance of power with the people. We are a growing County and our biggest challenge ahead is to plan that growth with great care and vision. I want to do my part to make Hernando County a great place to live, work and play.

### MARK JOHNSON CANDIDATE FOR SCHOOL BOARD

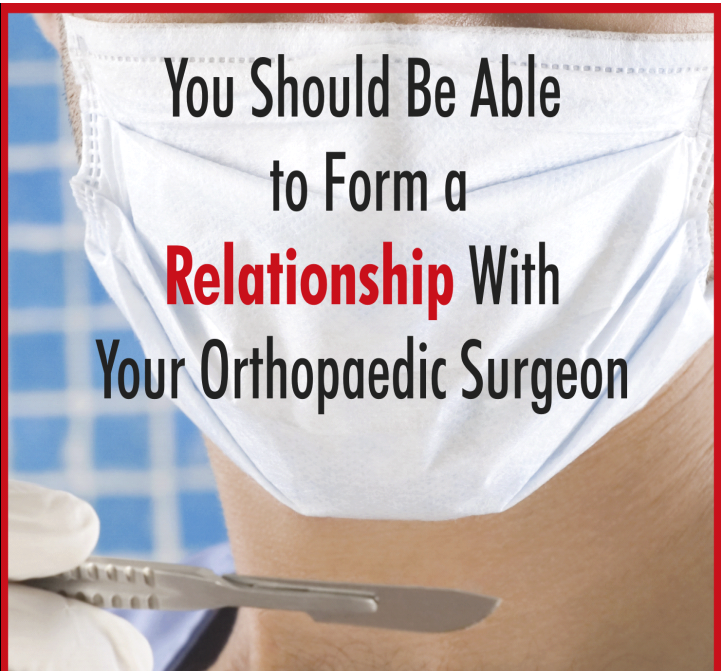

I am a Father and a Grandfather with two sons and a daughter teaching in public schools and four grandchildren in elementary and middle schools.

I am a proven fiscal conservative with large budget experience. When I was on the School Board from 2014-2018 we went from a \$12 million deficit to a \$14 million unrestricted reserve, while the District rose from a C- to a B+. I understand the concerns, issues and constraints in public education from many perspectives.

I have lived in District One, 16 years, am a small business owner, a licensed Investigator, and trained to delve into all matters because not everything is what it seems to be. I earned a BSCJA and MPA.

I am a past member of the Board of the Boys and Girls Club, Communities in Schools, the Anti-drug Coalition, and a Founder of the Educators' Club of Timber Pines and T-VOLT, a training program for unemployed, underemployed and high school seniors not pursuing higher education.

I am the only candidate actively working to eliminate Critical Race Theory/ Equity. My wife and I researched and have given PowerPoint Presentations calling out Critical Race Theory/Equity, Marxist and Socialist indoctrination in our District.

## Chase N Tails Fishing Charters

Capt. Josh Fritz 352-345-9304 Hernando Beach FL

### MARCH FISHING REPORT

March is one of my favorite months for fishing both inshore and offshore waters. Offshore in March the sheepshead are all over big structures, along with big mangrove snappers. Shrimp is the best way to target both species. Remember if the water is clear, in 25-40-foot use light leaders and long leaders. I will at times use a 10-12-pound leader up to 20 foot long as these fish can be very leader shy in clear water.

Inshore the action is just awesome! Absolutely everything is chewing, from snook, trout and redfish, along with pompano. Live pilchards are my go-to live baits, but lures will also work great. Nothing beats a Mirrolure XL during March. That's one of the best lures to use. Fish the moving tides. I like the bigger incoming tides for schools of mullet and for good action.

– Captain Josh Fritz

Capt. Joshua Fritz is a Native Floridian fishing the local waters of the Gulf Of Mexico, Capt. Josh is a 25 ton licensed and fully insured guide. Capt. Josh knows these waters inside and out with over 25 years of boating knowledge. Capt. Josh is very well know in the fishing world and is professional and friendly, come aboard with Capt. Josh and lets catch some fish.
