Welcome to Summer 2017!!

President's Message

Fun times are on the way and summer will be here before you know it! Last year was a nice beginning to my being president. There were a few speed bumps along the way but nothing that we couldn't handle.

Thank you to Joe Graziano, Agi Khoury, and Mary Kushner for their service to our club. Chip Ferradino is also leaving from our grounds crew. We wish them all well. We're adding a few new faces to our board this year. Debbie Kempers will be our Vice President of Personnel. Noelle Matiste is taking on the Treasurer position. Todd Henderson is coming onto our Aquatics team.

You may have noticed that our landscape was transformed last year. A custom built swing set, shade area by the kiddie pool, and landscaping around the fence area were nice upgrades. We also purchased additional chairs and umbrellas for the grounds. We will continue to make additional improvements as needed.

It's also going to be a lot brighter on the tennis courts this year! We invested in a new set of lights to assist in nighttime tennis play.

It's going to be an exciting summer for us. If you haven't heard Poland is hosting this year's YSL Championship meet. This is a huge event for our club as it will be our primary fundraiser. That being said it's going to be all hands on deck! We're going to need plenty of help. More information will be coming out but mark your calendars for July 29th.

We have some fun social events planned for the summer. Friday Night Lights, S'mores Galore, Movie Night, and Camp Out will take place. We also plan to have a few adult only nights. Keep an eye out on the email blasts with more info.

We had a successful 2016 swim and tennis season. We encourage anyone who is interested to come out and sign up. Registration is in April. Hope to see you there!

The swim club is happy to announce the sale of a parcel of land for \$25,000. It puts us in better financial position to maintain our club for everyone's enjoyment.

Let's all come together as a community to show how great our Poland Swim Club is. It is an asset to Poland to have such a nice place at such a great value. The YSL Championship will be our shining moment. We have very dedicated and active members that promise to continue this tradition of excellence.

I'll see you all poolside soon!

Stav Diamandis
PSC President

Constant movement is the focus as your guide takes you through a series of fun and heart-pumping drills that cater to all abilities and fitness levels. No tennis experience is necessary. This program is designed for players of all levels, from total beginners to advanced players. If you like exercising in a group, then you will find Cardio Tennis the perfect motivator.

Junior Tennis

Our tennis program is fantastic! Each year, our program continues to advance the level of play and enjoyment of the game of tennis. The staff sincerely enjoys working with our kids and adults as well!

Youth Tennis Clinics (ages 8 and up) Learn tennis basics. One hour clinics will be every Monday and Thursday at 3pm beginning June 12. No sign-up needed, pay as you go, \$7 per clinic.

Tyro Tennis (5-7-year-old). is class uses special equipment designed for their developmental abilities. Tyro Tennis is a version of tennis designed for children that uses large, slow-moving foam balls, smaller racquets, lower nets and smaller courts. Each lesson will focus on agility, balance, coordination and speed. Racquets will be provided. Students will need to wear tennis shoes and bring a cold drink. Parents of 5 year olds are asked to stay nearby during the lesson. Six half-hour sessions will be Monday and Wednesday at 10:30 am, June 12 thru June 30. Class Fee: \$30 Book reservations and pay fee before June 12.

Team Tennis

Few sports can compete with tennis in delivering overall physical, mental and emotional benefits. Teaching kids how to play tennis can also teach them to: develop a proper work ethic; be able to manage mistakes and failure; accept responsibility; manage adversity; handle; learn teamwork; and develop social skills. All these benefits make tennis the ideal sport for kids to learn early in life. Typically, lessons from a tennis instructor cost \$40 per hour. The cost of learning on the PSC Tennis Team is less than you will see anywhere else. Don't miss this opportunity to learn this lifelong sport!
