

Mayer's Marina, Inc.

7 Lake Road, Webster, NY 14580
585-323-1010

January 2018

Dear Boater,

Now is the time to reserve your dock space for the coming season. Our rates remain the same. **All dock spaces not reserved by February 17, 2018 will be subject to reassignment.** Do take advantage of our special \$50 early-bird discount by paying in full on or before February 17.

Seasonal (April 1 – November 1) rental fees for our small boat (26-foot max) dock spaces are as follows:

\$55 per foot for boats up to 8 feet wide

\$60 per foot for boats over 8 but no more than 8.5 feet wide

\$375 for a boat hoist installed at your slip (limited hoists & sizes are available – please reserve quickly!)

\$400 for each jet ski slip

\$750 for a jet ski slip supplied with a floating, drive-on ramp

(Longer boat dockage slips with electric and fresh water may be available – please inquire.)

To ensure reservation of your dock slip, a non-refundable deposit of \$300 is required no later than February 17. All boat slips may be subject to reassignment after this date. The remaining rental fee balance is due either at the time of launch or before May 1, 2018, whichever comes first. Remember that the bonus discount of \$50 will be credited ONLY if your season rental fee is **fully paid** on or before February 17. Your payment may be by good personal check, bank or postal money order or by a credit card.

Please note the following reminders regarding the enclosed Boat Dockage Agreement form:

- Provide the accurate length of your boat on the reservation form or at the time of registration. We may later determine your boat length and adjust your rental fee accordingly if deemed necessary.
- If your assigned dock slip is not available for any reason, you will be assigned another, similar slip either temporarily or permanently as circumstances arise.
- We reserve the option to temporarily utilize your dock slip if your boat is not in the water for any reason.
- Long-term boat trailer storage space is NOT available. We can suggest alternative storage locations. Trailers left unintentionally on marina property may be relocated and will be assessed a storage rental fee.

All boats must be properly and responsibly secured at the bow and stern to avoid storm, wind or wake damage. If any mooring assistance is needed, we will be pleased to help you correctly secure your boat.

We cannot be responsible for any loss or damage to your boat/motor. We recommend that you obtain adequate marine insurance for all equipment and personal property. Personal loss & liability insurance is your responsibility.

Please complete and sign the enclosed Boat Dockage Agreement form and return the entire page to us in the preaddressed envelope provided.

Note: The marina is closed in the winter months until April 1. If you have any questions, please email amayer2@rochester.rr.com or drop a note to us at the above address.

With warmest regards,
The Mayer Family
