

STARLET DANCE STUDIO Covid-19 Guidelines

Covid-19 has dictated changes we must make to our operations.

1. No seating will be available in the waiting area.
2. No gathering and socializing before or after class.
3. Only those wearing a mask will be allowed in the building.
4. Parents will no longer be allowed to remain in the dance room with their child during class. They will be asked to wait in their vehicle. If you leave, please have the dancer's ride available at the time of the end of class.
5. A sign on the door will indicate whether or not one may enter the studio.
6. The temperature of all who enter will be taken and over 100.4 degrees will not be allowed to enter the building.
7. The dance floors, dance equipment and barres will be sanitized after each class.
8. The restroom will be cleaned after each class.
9. Hand sanitizing product will be available for use.
10. Class schedules have been altered somewhat to allow for time to sanitize the studio between classes. Check our class schedule to find the class for you.
11. For those who still feel uncomfortable with attending class, please contact us (Text or Call: 505-401-5713 – Email wynettesmith@hotmail.com) to arrange to join the class via Zoom. Only a limited number of classes will be offered online and these classes are indicated on the schedule. Tuition will remain the same for the Zoom class.
