glass/bottle

Greek Zacharias Ambelos Phos Peloponnese.....\$8/\$30

White squared is the name we have given to this wine, which resulted from the harmonious blending of two exquisite indigenous white grape varieties, Assyrtiko and Sklava. This unique combination of the two varieties results in a wine with a bright golden yellow colour and an intense aroma of pineapple and citrus fruits, combined with hints of aromas of tobacco and green apple. It is a full-bodied wine, well structured, with a balanced acidity, and rich in the mouth, with a long aftertaste, dominated by hints of citrus fruits and vanilla.

Antonio Rubini Pinot Grigio (Italian).....\$6.5/\$24

Ripe apple, apricot and pear on the palate, finishing with a crisp citrus hit.

Callaway Sauvignon Blanc (Usa).....\$6/\$22

Pale lemon in color, with green tints and brilliant clarity. This wine has a vibrant bouquet of citrus and tropical fruits, with hints of cut grass. A fresh, lively, approachable wine overflowing with ripe grapefruit, lemon and passionfruit and infused with delicate herbaceous characters.

House Wine Chardonnay (Chile).....\$4

Bursting with sweet vanilla oak, roasted nut, fresh butter, and luscious peach and citrus aromas and flavors. Medium- to full-bodied, this classically ripe varietal provides a creamy, persistent mouthfeel and a refreshing, clean finish.

Canyon Oaks White Zinfandel (California).....\$4/\$15

Mellow yet crisp, fruity yet refreshing.

Red

Greek Zacharias Ambelos Phos Peloponnese\$8/\$30

The noblest indigenous variety of Greece, Agiorgitiko (Nemea grape Variety), in its fresh version... It is a bright full bodied wine with a deep red colour and a velvety taste. Quite complex for a fresh wine, with soft tannins and attractive intense aromas of cherry, red berries and vanilla.

Canyon Oaks Merlot (California)\$5/\$18

California- Rich and stylish flavors of plum and berry are complemented by a touch of nicely integrated oak. Fresh and fruit driven, this is an easy drinking red with a smooth and silky finish.

Lodi Pinot Noir (California).....\$6.5/\$24

Pinot Noir is light & crisp with aromas of sour cherries, cranberries, & just a hint of smoky herbs that lead to mouth filling flavors & tannins that complete with a lingering sweetness in the aftertaste.

House Wine Cabernet Sauvignon (Chile).....\$4

A wine with finesse. The rich varietal minty blackcurrant nose and flavor are supported by a palate that is smooth and flavorsome. Generous acidity and firm tannin give the wine a clean strong finish.
