2019 Leaders

*Pray for what God is going to do in the year
2016 at Chapel Hill UMC.*

The story has been told of a chance encounter between the artist Michelangelo and two bricklayers. One bricklayer was sluggish and indifferent as he went about his work. But the second bricklayer worked with an obvious passion and enthusiasm. When the artist asked the first bricklayer what he was doing, the bricklayer replied: 'I'm laying bricks.' But when the second bricklayer was asked the same question, he replied: 'I'm building a cathedral!'

Church meetings can be like that. At times a

meeting can center on seemingly meaningless tasks. But as we faithfully meet together, we need to remember what's being built.

In this news-letter you will find a complete list of the new leaders and ministry teams for 2019. If you are on a team or a committee, please make every effort to attend your regularly scheduled meeting.

On the morning of January 12th we will be meeting with the leaders

that make up the *Church Administrative Council* from 9 to 11 for a time of celebration and leadership training. If your name is listed below, please save the date and plan to attend.

Letter from Pastor Amy

Dear Church,

With the New Year comes the hope of change and renewal. We make resolutions with the hope of changing our lifestyles, becoming healthier and happier, ending habits and addictions, and overall being better people. Sometimes we follow through. Other times, these resolutions are forgotten by January 2nd.

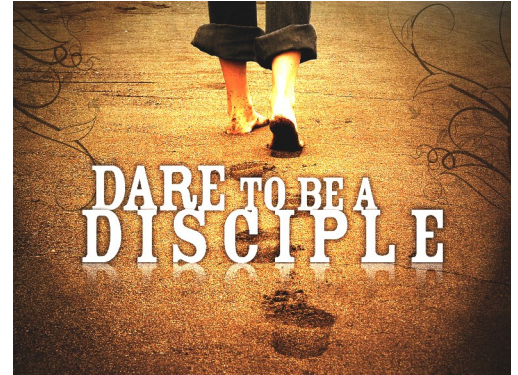

Chapel Hill has a chance to make a choice for some Christ-centered changes in the coming year. We will be reading the whole Bible together starting on January

6th, which will be an amazing time for us to learn more about God's plan for our lives and what it means to be a disciple. Being a disciple is about so much more than just doing the right things. It is about us opening our hearts to seeing Jesus transform us. It is about willingly looking outside of ourselves. And it is about building authentic relationships with each other, with Christ as our foundation.

If we let God guide our path this year, there is no telling where He will lead us and who we will meet. We have the chance to see

miracles happening here and in our community. All it requires is for us to step out in faith.

With Love and Hope,
Pastor Amy

Merry Christmas!

We know that this holiday season can get really busy, and it can be tough to find opportunities to celebrate with your kids the true meaning of Christmas. So we wanted to make it easy for you! Every kid loves to bake! They love helping you in the kitchen so plan a family fun night. Gather everyone in the kitchen, and let them help you bake a birthday cake and decorate it. **(If you have not received a baking and decorating kit for your family, there are some available at the check-in desk in the Children's wing.)** Then, decide together when you are going to have a party with your family to celebrate Jesus' birthday. Maybe it will be part of your Christmas Eve celebration, or maybe it will be the centerpiece dessert on Christmas Day. Whatever you decide, make sure you take the time to talk to your kids about the birth of Jesus, God's only Son. Sing Happy Birthday, and celebrate Jesus!

THANK YOU to all who attended, supported and encouraged each child in this year's Christmas Musical, "Star Search." What an **amazing** program it was as we learned that if you really want to be a Star, the God tells us: *"Don't be selfish. Don't try to impress others. Be humble, thinking of others as better than yourselves. Don't look out only for your own interests, but take an interest in others, too. You must have the same attitude that Christ Jesus had. Though he was God, He did not think of equality with God as something to cling to. Instead, He gave up His divine privileges; He took the humble position of a slave and was born as a human being.... Do everything without grumbling or arguing, so that you may become blameless and pure, 'children of God without fault in a warped and crooked generation.' Then you will shine among them like stars in the sky."* Philippians 2:3-7, 14-15

Because of Christ's humility and sacrifice, we can truly understand and appreciate His coming during every Christmas season. May we continue to dwell on that during the coming year. Merry Christmas and Happy New Year from the Children's Department!

SMALL GROUP CONNECTIONS

Parenting Through the Phases Small Group Study

Beginning Wednesday January 23rd

You're invited to a new group for parents of kids from birth through 12th grade! The Parenting Through the Phases Small Group study is a small group series that will help you discover what's changing about your kid over the next 52 weeks. We'll also talk about the 6 things your kid needs most, and 4 conversations you'll want to have with your kid starting today! Don't miss out!

For those of you who are parents, you know one thing—your kids are always changing. From newborn to twelfth grade, there is always something new in their development, or some new challenge they

are facing, or some new obstacle they are overcoming. 936 weeks. That's the approximate time you have from the moment

changing every week! Just as you begin to figure them out, they shift or move on to a new rhythm, a new habit, and a new opinion. It can

How do we parent in a way that helps our kids feel known and supported? How can we anticipate some of the challenges they will face?

On Wednesday, January 23, 2019, we are launching **Parenting Through the Phases**. This is an inspiring, guilt-free parenting small group that will help you make the most of the developmental phase your child or teen is in right now. It's never too late, even if you're parenting a twelfth grader.

Sign up at the children's check-in desk or in the narthex at the church. For more information, contact Carol Odom @ (270) 869-4468.

Your kid is

It's Not Supposed to Be This Way

New Small Group, Beginning January 16th

Stacey Singer will be starting a new small group beginning January 16th at 6:00 p.m. The group will be studying *It's not supposed to Be This Way* by New York Times bestselling author Lysa TerKeurst over a period of six weeks. In this study Ms. TerKeurst unveils her heart amid shattering circumstances and shows readers how to live assured when life doesn't turn out like they expected. What do you do when God's timing seems questionable, His lack of intervention hurtful, and His promises doubtful?

Life often looks so very different than we hoped or expected. Some events may simply catch us off guard for a moment, but others shatter us completely. We feel disappointed and disillusioned, and we quietly start to wonder about the reality of God's goodness.

Lysa TerKeurst understands this deeply. But she's also discovered that our disappointments can be the divine appointments our souls need to radically encounter God. In *It's Not Supposed to Be This Way*, Lysa invites us into her own journey of faith and, with grit, vulnerability, and honest humor, helps us to:

- Stop being pulled into the anxiety of disappointment by discovering how to better process unmet expectations and other painful situations.
- Train ourselves to recognize the three strategies of the enemy so we can stand strong and persevere through unsettling relationships and uncertain outcomes.
- Discover the secret of being steadfast and not panicking when God actually does give us more than we can handle.
- Shift our suspicion that God is cruel or unfair to the biblical assurance that God is protecting and preparing us.
- Know how to encourage a friend and help them navigate hard realities with real help from God's truth.
