8th Grade US History

The 8th Grade Class has been studying a unit that explains the events that led to the Revolutionary War. They have been paying taxes in class every day just like the Colonists did! They unit has covered the Stamp Act, Tea Act, and Intolerable Acts. Next we will be studying the Declaration of Independence.

Knowledge Bowl

We currently have 11 students who are signed up for Knowledge Bowl. They have been practicing hard and I am seeing some real improvement already! Please remember that this is a team effort. I understand that you may not be able to be at every practice but some students have already missed three or more. This is something to be taken seriously or let me know that you are no longer interested in participating. Practice is in room 807 every Tuesday from 3:00-4:00. If there is a change it will be announced in class as well as on Google Classroom.

7th Grade World History!

The 7th grade classes have just finished studying about Ancient Greece and the contributions they have made to the rest of the world as well as here in the United States. As of this writing they just started a new Unit that will introduce them to Ancient Rome. First we will study its geography and then we will move on to the Rise of the Roman Republic, Daily Life, and Rome's Legacy. We also have a couple of neat projects along the way!

Contact Mr. Davis

There are a couple of ways to contact Mr. Davis.
