- ***Company Dancers arrive in black leotard and shorts- hair in a bun for the entire rehearsal. Bring all costume parts and pieces to leave at the auditorium.
- **Make sure to arrive dressed and ready. Please do not be late either day, we will not wait for dancers so please make sure to arrive on time. **Dancers should bring all costume parts and shoes for all dances they are in. Check and Double Check!
- ** WRITE NAMES/LABEL EVERYTHING!! Shoes, Costumes, bags all items!
- **Please make sure not to bring any valuables, toys, food, drink besides water bottles. There are many students with severe allergies so please help us by following these rules.
- **Dress Rehearsals are closed to audience members. We move groups in and out as quickly as possible, test lighting, record for back up purposes, etc. For the safety of our performers and to stay on time as close as we can...We do not allow anyone in the auditorium unless they are on our Recital team/Staff and have been cleared. This is for the safety of each dancer with so many people moving in and out.

Please help us follow these rules so that your dancer gets to truly experience their dress rehearsal and can leave on time, and feel fully prepared for their show on Saturday.

*A staff member will come to collect dancers at their drop off time and return them at the end of their block. Please make sure to send all costume changes or shoe changes with them. TTT and Combo dancers should have their items in a bag not loosely carrying. Dancers must have their shoes!! Please, please put your child's name on every item.

RECITAL DAY

On Saturday, please drop your dancer off at the designated time. See the map above for drop off door location.

10am Dancers should arrive at 9am. Doors will be locked until 9 am. 2pm Dancers should arrive at 1pm. Doors will be locked until 1 pm.

Parents must sign in dancers younger than 15 years old.

All classes have a staff member, dance mom, or assistant that is assigned to their class to help back stage. Parents are not allowed backstage unless we have previously communicated with you about a specific situation. You will have to have your pass for the police officer to allow you to come backstage. This is for the safety of our dancers and is of utmost importance to us. We want to make backstage as secure and locked down as possible so that we can account for each dancer at any moment in time. Thank you for your help with this.

All dancers will be dismissed at the end of the show. Dancers will not be dismissed until a parent comes to get them. We will give instructions at the end of the show for one parent to come to the side of the stage to retrieve their dancer. All dancers under age 15 must be dismissed this way.

Make sure your dancer arrives in the correct costume... See run order below to know what costume your child should arrive in!
